CHIEF MINISTER, WEST BENGAL

## PREFACE

The **Administrative Calendar** of the State Government outlines the monitorable activities of every administrative department in respect of planning, execution and supervision of different government programmes, services and initiatives. This annual exercise of ours has ensured time-bound implementation and thorough evaluation of all our schemes and programmes.

The calendar disseminates the department-wise vision of the State Government amongst the various stakeholders, which undoubtedly, is a pre-condition for good governance. The Administrative Calendar Compliance Reporting System (ACCR), a web based monitoring mechanism, helps the departments to effectively study the progress of various schemes and programmes vis-a-vis the activities set out in the calendar and take follow-up action accordingly.

I am optimistic that the Administrative Calendar-2022 will be of immense help to all its stake holders and like previous years, will be a guiding light in our journey towards all-round growth and development.

My heartiest greetings and best wishes to all.

(Mamata Banerjee)
