

# User Manual For e-Intimation (by applicant) of the commencement of Construction (Post Plinth Level)

Department of Urban Development & Municipal Affairs, Govt. of WB

#### Annexure-1

The Online Building Plan Approval System (OBPAS) has been envisaged by the Department of Urban Development & Municipal Affairs, Government of West Bengal to utilize the benefits of Information Technology to have a Common Application Form (CAF) based Single Window System (SWS) for various Building Construction related services with the facility of Auto-Scrutiny of Architectural Drawing of building / structure as per the requirements of Business Reform Action Plan (BRAP) for compliance under Ease-of-Doing-Business (EoDB) in order to improve the Accountability, Transparency & Effectiveness in Government administration.

SWS-OBPAS automates the lengthy and cumbersome manual process of checking of the statutory building plan requirements as per rules & regulations, thus reducing paper work, valuable time, effort of the LBSs/ Architects and the Permit granting Authorities. It facilitates quick processing and disposal of building plan permissions, standardization of building fee & other charges, automation of the technical scrutiny of the building plan, effective monitoring of file processing etc.
