Preface

Indian Meteorological Department has issued the first warning of likely formation of a low pressure area over Bay of Bengal around 22nd May and its intensification into a Cyclonic Storm during next 72 hours which is very likely to reach West Bengal-Odisha coasts around the 26th May, 2021.

Later on 24th May, 2021, it was the forecasted that the low pressure over Bay of Bengal has already been intensified into a cyclonic storm which is going to be intensified further and would like to hit the coast with a wind speed 155 to 165 Km per hour and gusting to 180 Km per hour along with heavy to very heavy rainfall in between paradip in Odisha and Sagar island in West Bengal on 26th May in the morning / noon.

The role of the ULBs and Development Authorities under this Department is to arrange for early warning system in co-ordination with the District Administration and to take urgent measures through well equipped quick response teams for road clearing (connectivity restoration), to address the water logging issue and restoration of drinking water supply giving top most priority.

In the context of the above, all the ULBs and Development Authorities under this department need to be fully prepared to deal with situation (s) arising out of the cyclone (wind and rainfall) and the preparedness should be done considering the worst possible scenario.

The role of this department is to guide the ULBs and Development Authorities to be involved in the Disaster Management with meticulous planning and implementation, specially, in the field those activities and functioning of ULBs and Development Authorities, under the leadership and direction of respective District Administration. The Engineers and officials of Municipal Engineering Directorate posted at different districts and assisting the ULBs.

KMDA has also been geared up to work in tandem with the District Administrations in KMA, for protection and restoration of important public utility infrastructure which are under O& M of KMDA.

For Kolkata Corporation Area as directed by the Government KMC is looking after it separately in co-ordination with Kolkata Police and KMDA

Action Taken by the Department

1. Advisory issued by the department: On 20th May, 2021 by No. 1889 (125)/UDMA-24011(99)/27/2021-JS(UDMA) , dated, Kolkata the 20th day of May 2021, following advisory has been issued by this department.
2. Seniors Officers of the Department like Director Local Bodies, Commissioner, Special secretary and Joint Secretaries have been assigned specific ULBs and given responsibility to co-ordinate with ULBs and District Administration and guide the ULBs as per need.
3. Regular Video Conferences held with ULBs, MED, KMDA and Concerned Administration to minimise Communication Gap.

Special meeting held at SDO office **Barrackpore** and SDO office of **Serampore** where senior officials attended along with other stake holders. Water logging issues were duly considered.

Separate Video Conference held with **East Medinipore** District including ULBs, Development Authorities and General Administration. In addition to restoration team, Medical team is also kept ready at ULB level.
4. 24X7 Control Room has been opened in the Department, MED, ULBs and Development Authorities, Control Room Numbers duly published to all concerned/Departmental Website.
5. The status reports on preparedness are being collected from ULBs and Development Authorities on real time basis through Google Spreadsheet.
6. Resource mapping has been done at ULB level and data entry at District Level has been done in the Cyclone Management part of the ICMS portal of the Government under close monitoring of this department.

The advisory (circulated on 20th May, 2021)

All the ULBs and Development Authorities under this department need to be fully prepared to deal with situation (s) arising out of the cyclone and the preparedness should be done considering the worst possible scenario.
