Notice Inviting Quotation

NIQ NO.:UD/NIQ/CMD/16/2014-15 OF EXECUTIVE ENGINEER , Central Mechanical Division

Memo No:1984

Dated: 05.12.2014

Notice Inviting Quotation are invited by the Executive Engineer, Central Mechanical Division on behalf of the Governor of West Bengal for the works mentioned below, through electronic tendering (e-Tendering) from eligible and resourceful contractors having E.S.I & P.F. Registration including sufficient credential and financial capability for execution of works of similar nature.

Intending bidders desirous of participating in the tender are to log on to the website www.wbtenders.gov.in .

Bidders willing to take part in the process of e-Tendering are required to obtain Digital Signature Certificate (DSC) from any authorized Certifying Authority (CA) under CCA, Government of India (viz. NIC, nCode Solution, Safescrypt, e-Mudhra, TCS, MTNL, IDRBT). DSC is given as a USB e-Token. After obtaining the Class 2 or Class 3 Digital Signature Certificate (DSC) from the approved CA they are required to register the fact of possessing the Digital Signature Certificates through the registration system available in the website.

NIQ are to be submitted online and intending bidders are to download the documents from the website stated above, directly with the help of the e-Token provided. This is the only mode of collection of documents. Details of submission procedure are given below under "General terms and conditions and information".

Name of Work:- Annual Comprehensive Operation with daily routine running maintenance(minor) to ensure trouble free run of different pumping & allied units of 06 MGD Bagjola sewage Treatment Plant.

Last date & time of submission of bids online is 29.12.14, 14.00 Hrs

The intending bidder must read the terms and conditions of the NIQ carefully. He should particularly go through the eligibility criteria required and satisfy himself of the requirements for eligibility. He should only submit his bid if he considers himself eligible and he is in possession of all the documents required.

All information posted on the website consisting of NIQ and related documents, Form 2911(ii), BOQ, Corrigendum etc. and Drawings, if any, shall form part of the tender document.

General Terms & Conditions and Information

1. (A) Eligibility for participation

Contractors, bonafide, Registered Engineers Co-operative Societies, Consortiums and Partnership Firms **having ESI & P.F registration including holder of electrical workman & supervisory licence** and registered with the State Government and contractors of equivalent Grade / Class registered with Central Government / MES / Railways for execution of similar works having credential of 50% in last five years (Described elaborately) are eligible to participate, depending on the criteria as detailed below. Joint venture firms are not eligible to participate.

Note: *In case of consortiums, maximum number of constituents shall be restricted to 5 (five) and each constituent must have at least some credential and also at least 10% turnover in contracting business. Individual constituent of a consortium cannot be another consortium.*

(B) Intent of work:-

The intent of the job is-

- (i) To operate the pumping equipments normally for 16 hour of a day but may extended up to 24 hour with allied articles and accessories on the required as well as defined working Schedules, clearing the entire complex daily including day to day regular cleaning of the screens, proper disposal of the disposed articles, on round the clock basis. Based on the site situations the quantum of personnel placed.

Any long hour(s) duty by any working personnel at any site on any due to non tuning up of the relieving personnel for the specific duty shift shall be taken care of by the contractor. Contractor's qualified supervisor(s), in whatever designation he may be known, shall inspect and visit all the sites covered under the contract every-day on regular basis.
- (ii) Contractor shall undertake the daily routine maintenance works of the pumping station equipments and articles to keep the entire pumping stations STP's as applicable, in proper healthy running conditions. Contractor shall provide all consumable and sundry articles e.g grease, lubricants, motor oil transformer oil, gland packing, gaskets, nuts, bolts, washers, screws, as per necessity and requirements of the site. All tools and tackles electrical testing instruments i.e. Megger, AVO-meter, multi-meter, tongue-tester, insulated screw-driver, pliers, gloves etc as required shall also be provided by the contractor. Further, shovels, grabbers, crow bars, pulley blocks etc for trash rack/screen cleaning and other purposes for the pumping station to work with immediately on demand.

2. SCOPE OF WORK:

The scope of the work is to operate, minimum in most engineering like manner, clean etc. of 6 MGD Sewerage Bagjola treatment plant including daily/periodic routine maintenance of the pumping equipments and articles and accessories and maintenance articles required and arranging all tools, tackles for the job complete to fulfill the general intent out-lined above. In short the contractor has to assume the full and total responsibility for trouble free operation, Minor running maintenance, cleaning etc. of the pumping stations so as to best individual efficiencies of each equipments are achieved and for which they are meant for.

The detailed log-book, with entries of routine maintenance and operation undertaken in the each station are to be maintained by the contractor with signature of operator in each shift working personnel attendance register, site wise, in hard bound registers having, records with proper indelible English script and shall be submitted to the Assistant Engineer-in-charge monthly for checking. The Engineer-in Charge or his authorized representative may at any point of time call the register(s) for scrutiny and put remarks there to. (All the log-books/attendance register etc. as described in the document are to be supplied by the contractor as per the approved format of the EIC and cost shall be inclusive within his offered cost).

All working personnel engaged by the contractor shall have required qualifications and experiences. All personnel so deployed by the contractor for the job shall be under the direct control and pay roll of the contractor and shall be considered as their own men for the specific period of contract. The contractor, under any circumstances, shall not try to evade any of the regulatory responsibilities of their working personnel. In case of failure to fulfill any regulatory obligations of their working personnel on the part of the contractor, the department will be at liberty to take actions as EIC will consider it necessary.

The minimum rates of wages & variable dearness allowance if any, both constitute the minimum rates of wages and shall be enforceable under the Minimum Wages Act, 1948.

INTENDING PARTICIPANTS ARE REQUESTED VISIT THE SITE ON ANY WORKING DAYS PRIOR TO SUBMITTING BID BY CONTACTING EXECUTIVE ENGINEER, CENTRAL MECHANICAL DIVISION, NIRMAN BHAVAN (1ST. FLOOR), SALT LAKE, KOLKATA- 700 091 (PHONE NO. 033-2337-0318).

3. Submission of NIQ

3.1 General process of submission

Participants are to be submitted online through the website stated above. All the documents uploaded by the NIQ Inviting Authority form an integral part of the contract. Participants are required to upload all the documents along with the other documents, as asked for in the NIQ, through the above website within the stipulated date and time as given in the EOI. Participants are to be submitted in two folders for the work, First one Technical Proposal. Qualified participants only can fill up the second proposal i.e. Financial Proposal. The Participant shall carefully go through the documents and prepare the required documents, and upload the scanned documents in Portable Document Format (PDF) to the portal in the designated locations of Technical Bid. He needs to fill up the rates of items individually in the BOQ, downloaded for the work, in the designated Cell and upload the same in designated location of Financial Bid. The documents uploaded are virus scanned and digitally signed using the Digital Signature Certificate (DSC). Participants should specially take note of all the addendum / corrigendum related to the NIQ and upload the latest documents as part of the NIQ.

3.2 Technical Proposal

The Technical Proposal should contain scanned copies and/or declarations in the following standardised formats in two covers (folders).

A. *Technical File (Statutory Cover) containing,*

- i. *E.S.I. P.F & Electrical Licence in PDF formatted to be submitted in "Licence" folder*
- ii. *Tender Form No.2911(ii) (to be submitted in "2911" folder)*
- iii. *Notice Inviting Quotation (NIQ) (to be submitted in "NIT" folder)*
- iv. *Addenda / Corrigenda : If published.*
Note: Contractors are to keep track of all the Addendum / Corrigendum issued with a particular tender and upload all the above digitally signed along with the NIQ. Bidders submitted without the Addendum / Corrigendum will be treated as informal and liable to be rejected.
- v. *Earnest Money Deposit (EMD)*

Scanned copy of Demand Draft (DD) / Banker's Cheque (BC) / Deposit at Call Receipts (DCR) of Rupees one lakh fifty thousand only towards EMD, in favour of the Executive Engineer Central Mechanical Division payable at Kolkata. *(to be submitted in "Drafts" folder)*

Note: NIQ will be summarily rejected if any item in the Statutory Cover is missing.

B. My Document (Non-Statutory Cover) containing,

i. Certificates

1. Professional Tax (PT) submission Challan and PAN Card details. Application for such addressed to the competent authority may also be considered.
2. VAT Registration Certificate (Non production of the document will result in VAT deduction as per prevailing rules).

ii. Company Details

1. Registered Deed for Partnership Firm / Consortiums from Registrar of Assurances having office at Todi Mansion, Kolkata. Mere application for registration will not be considered. However, in cases where the applicant is yet to receive registration certificate from Todi Mansion, the applicant is to submit an affidavit in Non-Judicial Stamp Paper along with the application pledging that *"the registration certificate of the Consortium / Partnership Firm would be submitted to the Tender Inviting Authority before making agreement with the Tender Accepting Authority in case he is found lowest."* In case of inordinate delay in submitting the document, his bid is liable to be rejected and his EMD deposited will stand forfeited to Government. Any change in the constituents of the *Consortium / Partnership Firm* should also be registered from the Office at Todi Mansion, Kolkata, prior to the date of application of tender otherwise his application will be rejected.

Note: *An affidavit regarding authorized user of DSC for Consortiums and a declaration regarding such authorization for Limited Companies is to be submitted.*

2. Trade Licence for Proprietorship Firms.
3. Memorandum of Articles for Limited Companies.
4. Society Registration and Bye-Laws for Cooperative Societies.

iii. Credential

Bill of Quantities (BOQs) to be submitted under Statutory Cover above.

(In cases, bidders submitting Completion Certificates of 100% completed work(s) issued by the competent authority which should be supported by the Bill of Quantities (BOQs) for the said completed work).

- iv. Others :** If any relevant document to be submitted felt by the bidder.

Note: *Failure of submission of any one of the above mentioned documents will render the tender liable to summary rejection.*

3.3 Financial Proposal

The financial proposal should contain the following document in one cover (Folder). **Please note that financial proposal will be opened for those who are qualified in Technical proposal.**

i. Bill of Quantities (BoQ):

The contractor is to quote the rate online through computer in the space marked for quoting rate in the BOQ. *(Only downloaded copies of the above documents are to be uploaded, virus scanned and digitally signed by the contractor).*

4. Submission of original copies of documents of Tender Cost and Earnest Money Deposit

i. Mode of Payment

Cost towards EMD must be submitted in the form of Bank Draft (BD), Bankers Cheque (BC) and Deposit Call receipts (DCR) of any scheduled Bank of India. Payment in any other form, e.g. NSC, KVP, etc. will not be accepted.

ii. **Place of submission**

The original copies of the DD / BC / DCR, towards cost of Earnest Money Deposit should be submitted in a **sealed envelope** in the Office of the Executive Engineer, Central Mechanical Division at Nirman Bhawan, 1st Floor, Salt Lake, Kolkata-700091

iii. **Time of submission**

The original copies of DD / BC / DCR of EMD should be submitted in a **sealed envelope** in the office as stated above within the date and time as specified in the schedule of dates provided later. If the bidder fails to submit the original copies within the due date and time his tender will not be opened and his bid will stand rejected.

5.1 Completion Certificate

- i. Completion Certificates for fully (100%) completed works during the current year and last five financial years will only be accepted. Certificates issued for partly completed works will not be considered.
- ii. Completion Certificate of work executed in Irrigation & Waterways Department will be considered. Completion Certificate of works executed in other Departments of State Government or organizations, like Public Works & Public Works (Roads) Department, Public Health Engineering Department, Sundarban Affairs Department and various other State Government Departments, Zilla Parishads, West Bengal Housing Infra-structure Development Corporation Limited (WBHIDCO), West Bengal State Electricity Distribution Company Limited (WBSEDCL), Kolkata Metropolitan Development Authority (KMDA), Kolkata Metropolitan Water Sanitation Authority (KMW&SA), Kolkata Municipal Corporation (KMC), Hooghly River Bridge Commissioner (HRBC), Engineering Departments of Central Government and Organizations like Farakka Barrage Project (FBP) Authority, Railways, Kolkata Port Trust (KoPT), and companies owned or managed by the State Government, i.e. Mackintosh Burn Ltd., Westinghouse Saxby Farmer Limited & Britannia Engineering Ltd. may also be considered. Such Completion Certificates are to be issued by an officer not below the rank of Executive Engineer / Divisional Engineer / District Engineer / Project Manager of the other State / Central Government Departments / Organisations. Such certificates are further to be countersigned by immediate superior authority of the Issuing Authority for all cases other than direct State / Central Government Departments and Railways.

5.2 PAYMENT TERMS:

Payment will be made as the availability of fund.

5.3 Conditional and incomplete tender

Conditional and incomplete tenders are liable to summary rejection

5.4 Wages of Labour & Enhancement of Tender Rate

The minimum rates of wages & variable dearness allowance if any, both constitute the minimum rates of wages and shall be enforceable under the Minimum Wages Act, 1948. In no circumstances the tendered rate will be enhanced after acceptance of the tender.

6. Maintenance works (Daily/periodic) to be carried out (list not exhaustive)

A few indicative items are listed below, but it is to be ensured that the scope of maintenance is not limited to the list only and all routine and preventive maintenance works as per the direction and entire satisfaction of the Engineer-in-charge to keep the intent of the job for hassle-free operation and maintenance of the pumping station are to be undertaken by the contractor within the scope of this contract. The EIC or his authorized representatives shall record all such maintenance works and time to time operational schedule to the site order book which shall be strictly adhered to.

Daily check

- a) Free running of the pumping units and ensuring healthy electrical circuitry for running.
- b) Condition of the stuffing box packing, replacing/readjustment of gland packing.
- c) Check on proper glowing of the pilot lamps and replacement as necessary.
- d) Check of the oil levels/grease etc. (lubricants) of required units, replenishing as necessary.
- e) Cleaning, sweeping, dusting of all articles and floor areas/wall/roofs etc.
- f) Cleaning sump entry gates/trash racks including removing/disposing of the garbage. (As the case may be)
- g) Vibration monitoring of all rotating units (Pump-Motor).
- h) Checking fuses, links, terminal joints/sockets, replacing, cleaning as necessary.
- f) Monitoring of the temperature rise of the main motors/pump bearings etc.

Periodic checks (Weekly/fortnightly/bi-annually)

- a) Weekly check on the insulation resistance of all motors, bus, panels, cables, transformers etc.
- b) Fortnightly check of the breaker closing/tripping mechanism.
- c) Monthly check on the contact fingers/contact tips, taking connective measures.
- d) Bi-annually check of the pump-motor alignment, taking corrective measures.
- e) Bi-annually check of the earth resistance, taking corrective measures.
- f) Bi-annually check of the di-electric strength of transformer oil, OCB oil etc. if ; any and taking corrective measures including dehydration, de sledging, topping up etc.

7.. Opening and evaluation of tender

7.1 Opening of Participating Proposal

- i. Participating proposals will be opened by the Tender Inviting Authority or his authorised representative electronically from the website stated above, using their Digital Signature Certificate.
- ii. Intending tenderers may remain present if they so desire.
- iii. Cover (Folder) for Statutory Documents (vide Clause 3.2.A) will be opened first and if found in order, Cover (Folder) for Non-statutory Documents (vide Clause 3.2.B) will be opened. If there is any deficiency in the Statutory Documents, the tender will summarily be rejected.
- v. Decrypted (transformed into readable formats) documents of the Non-statutory Cover will be downloaded, and handed over to the Tender Evaluation Committee.

7.2 Tender Evaluation Committee (TEC)

Committees already constituted for issuance of tender papers for high value tenders, vide G.O. No.1496-IA dated 17th September 2004, to be read with corrigenda No.1493-IA dated 21.11.2005,

7.3 Uploading of summary list of technically qualified tenderers (1st round)

- i. Pursuant to scrutiny and decision of the Technical Evaluation Committee (TEC), the summary list of eligible tenderers for the work whose Technical & Financial Proposals will be considered will be uploaded in the web portals.
- ii. While evaluation, the Committee may summon of the tenderers and seek clarification / information or additional documents or original hard copy of any of the documents already submitted and if these cannot be produced within the stipulated timeframe, their proposals will be liable for rejection.

6.4 Provision for appeal and its disposal

- i. Intending tenderer not satisfied with the decision of the Tender Evaluation Committee (TEC) may prefer an appeal to the concerned Chief Engineer within two working days after the date of uploading of the summary list of the successful tenderers.
- ii. The Appellate Authority of the Urban Development Department(Salt Lake Project) will dispose such appeals by hearing the aggrieved tenderers as well as consulting the Tender Evaluation Committee (TEC) within next three working days and the tenderer will be communicated accordingly.

6.5 Final publication of summary list of qualified tenderers

In case, the Appellate Authority asks the Tender Inviting Authority to consider tender of any of the aggrieved tenderers, who may have preferred appeal, the process of uploading of qualified tenderers will be re-done. Date of opening of financial bid is to be intimated after publication of the final list of technically qualified tenderers.

6.6 Opening of Technical Proposal

- i. Technical proposals will be opened by the Tender Inviting Authority or his authorised representative electronically from the website stated above, using their Digital Signature Certificate.
- ii. Technical proposals for those tenders whose original copies of DD / DCR / BC towards tender cost and EMD have been received will only be opened. Proposals corresponding to which original copy of DD / DCR / BC towards tender cost and EMD has not been received will not be opened and will stand rejected.
- iii. Intending tenderers may remain present if they so desire.
- iv. Cover (Folder) for Statutory Documents (vide Clause 3.2.A) will be opened first and if found in order, Cover (Folder) for Non-statutory Documents (vide Clause 3.2.B) will be opened. If there is any deficiency in the Statutory Documents, the tender will summarily be rejected.
- v. Decrypted (transformed into readable formats) documents of the Non-statutory Cover will be downloaded, and handed over to the Tender Evaluation Committee.

6.6 Opening and evaluation of Financial Proposal

- i. Financial proposals of the tenderers declared technically eligible by the Tender Evaluation Committee will be opened electronically by the Tender Inviting Authority from the web portal stated above on the prescribed date.
- ii. The encrypted copies will be decrypted and the rates will be read out to the contractors remaining present at that time.
- iii. After opening of the financial proposal the preliminary summary result containing inter- alia,

name of contractors and the rates quoted by them will be uploaded.

- iv. If the Tender Accepting Authority is satisfied that the rate obtained is fair and reasonable and there is no scope of further lowering down of rate, he may after having the comparative statement test checked by the Divisional Accountant / Divisional Accounts Officer attached to the office of the concerned Executive Engineer, instruct the Tender Inviting Authority to upload the final summary result containing the name of contractors and the rates quoted by them against each work after acceptance of the rate.
- v. However, if there is any scope for lowering down of rates in the opinion of the Tender Accepting Authority, all the tenderers will be notified through the website to attend sealed bids to be followed by open bids to be held at the office of the Tender Accepting Authority in his presence at prescribed date and time, which will be done offline, i.e. as manually, as per present procedure.
- vi. After holding such bids, final result after acceptance of the rate by the Tender Accepting Authority would have to be uploaded in the web portal.
- vii. The Tender Accepting Authority may ask any of the tenderers to submit analysis to justify the rate quoted by that tenderer.

7. Bid Validity

The Bid will be valid for 90days from the date of opening of the financial bid

8. Acceptance of Tender

Lowest valid rate should normally be accepted. However, the Tender Accepting Authority does not bind himself to do so and reserves the right to reject any or all the tenders, for valid reasons and also reserves the right to distribute the work amongst more than one tenderer.

8.1 Tender Accepting Authority

Special Engineer , Salt Lake Reclamation and Development Circle .

8.2 Execution of Formal tender after acceptance of tender

The tenderers, whose tender is approved for acceptance, shall within 15 days of the receipt of Letter of Acceptance (LOA) to him, will have to execute 'Formal Agreement' with the Tender Accepting Authority in quadruplicate copies of W.B.F. No 2911(ii) which may be purchased on cash payment / in payment modes prescribed in Clause 4(i) from the office of the Executive Engineer concerned with the work.

9. Return of Earnest Money of the unsuccessful tenderer(s)

For return of the Earnest Money of the unsuccessful tenderer(s), he/she/they is/are to apply for the same to The Executive Engineer concerned with the work, giving the reference to the work , NIQ No., date of tender, amount and mode of Earnest Money deposited – all in a complete form. The Earnest Money of all tenderers other than the lowest tenderer in each case may be refunded, after acceptance of the rate in comparative statement or immediately after expiry of seven days from the date of final bid, whichever is earlier.

10. Payment

The payment of RA as well as final bill for any work will be made according to the availability of fund and no claim to delay in payment will be entertained.

11. Withdrawal of Tender

If any tenderer found lowest after opening of the financial bids withdraws his tender before acceptance or refusal within a reasonable time without giving any satisfactory explanation for such withdrawal, he shall be disqualified for making any tender to the department for a minimum period of one year. All cases in which the Tender Accepting Authority has reason to doubt the bonafide of such withdrawal should be reported to the Chief Engineer concerned in all details for issuance of such disqualification orders by the said Chief Engineer, under intimation to the other Chief Engineers, e-

Tendering Cell and also this Department. Copy of such Order should invariably be communicated to the Nodal Officer, e-Governance of this Department with a request to upload the same in the Departmental website.

12. Schedule of Dates for e-Tendering

Sl. No.	Activity	Date & Time
1.	Publishing Date	11.12.2014 : 1700 hrs
2.	Document Download start date	11.12.2014 : 1700 hrs
3.	Bid submission start date	11.12.2014 : 1700 hrs
4.	Document Download end date	29.12.2014: 1400 hrs
5.	Bid submission end date	29.12.2014: 1400 hrs
6.	Last date physical submission of cost of documents including EMD	30.12.2014: 1700 hrs
7.	Technical proposal opening date	31.12.2014 1500 hrs
8.	Uploading of preliminary list of qualified bidders	To be notified later
9.	Uploading of final list of Technically qualified bidders	To be notified later
10.	Financial Bid opening date	To be notified later
11.	Uploading of Financial Bid evaluation sheet	To be notified later

Additional Terms & Conditions

1. The Executive Engineer of the Division concerned will be the Engineer-in-Charge in respect of the contract and all correspondences concerning rates, claims, change in specification and/or design and similar important matters will be valid only if made by the Engineer-in-Charge. If any correspondence of above tender is made with Officers other than the Engineer-in-charge for speedy execution of works, the same will not be valid unless copies are sent to the Engineer-in-Charge and approved by him. The instruction given by the Sub-Divisional Officer and the Sub-Assistant Engineer on behalf of the Engineer-in-Charge shall also be valid (who have been authorized to carry out the work on behalf of the Engineer-in-Charge) regarding specification, supervision, approval of materials and workmanship. In case of dispute, the decision of Engineer-in-Charge shall be final and binding.
2. The acceptance of the tender including the right to distribute the work between two or amongst more than two bidders will rest with the Tender Accepting Authority without assigning reason thereof. The accepting authority reserves right to reject any or all tenders without assigning any reason thereof.
3. The Bidder shall have to comply with the provisions of (a) Contract labour (Regulation & Abolition) Rules, 1970, and (b) Minimum Wages Act, 1948 or the modification thereof or any other laws relating thereto as will be in force from time to time.
4. Department shall not entertain any claim whatsoever from the contractor for payment of compensation on account of idle labour on any ground including non-possession of land.
5. The Government shall not be held liable for any compensation due to machines becoming idle for any circumstances including untimely rains, other natural calamities, strike, etc.
6. Imposition of any duty / tax / royalty etc. whatsoever of its nature (after work order / Commencement and completion of the work) is to be borne by the bidder. Original Challans of those materials, which are procured by the bidder, may be asked to be submitted for verification.

7. Cess @ 1% of the cost of construction works shall be deducted from the Gross Value of the Bill in terms of Finance Department Order No.853-F dated 01.02.2006. Also it is instructed to register his Establishment under the Act, under the competent registering authority, i.e. Assistant Labour Commissioner / Deputy Labour Commissioner of the region concerned.
8. No mobilization / secured advance will be allowed unless specified otherwise.
9. VAT/Sales Tax, Cess, Royalty of sand, stone chips, stone metal gravel, boulders, forest product etc, Toll Tax, Income Tax, Ferry Charges and other Local Taxes, if any, are to be paid by the contractor. No extra payment will be made for these. The rates of supply and finished work items are inclusive of these.
10. All working tools and plants, scaffolding, construction of vats and platforms will have to be arranged by the contractor at his own cost.
11. The contractor shall supply mazdoors, bamboos, ropes, pegs, flags etc. for laying out the work and for taking and checking measurements for which no extra payment will be made.
12. The contractor should see the site of works and tender documents, drawings, etc. before submitting tender and satisfy himself regarding the condition and nature of works and ascertain difficulties that might be encountered in executing the work, carrying materials to the site of work, availability of drinking water and other human requirements and security etc.
13. A machine page numbered Site Order Book (with triplicate copy) will have to be maintained at site by the contractor and the same has got to be issued from the Engineer-in-charge before commencement of the work. Instructions given by inspecting officers will be recorded in this book and the contractor must note down the action taken by him in this connection as quickly as possible.
14. The work will have to be completed within the time mentioned in the tender notice. A suitable work programme is to be submitted by the contractor within 7 (Seven) days from the date of receipt of Work Order which should satisfy the time limit of completion. The contractor should inform in writing the name of his authorized representative at site within 7 (Seven) days from the date of receipt of Work Order who will receive instruction of the work, sign measurement book, bills and other Government papers, etc.
15. No compensation for idle labour, establishment charge or on other reasons such as variation of price index etc. will be entertained.
16. All possible precautions should be taken for the safety of the people and workforce deployed at worksite as per safety rule in force. Contractor will remain responsible for his labour in respect of his liabilities under the Workmen's Compensation Act etc. He must deal with such cases as promptly as possible. Proper road signs as per P.W.D. practice will have to be made by the contractor at his own costs while operating a public thoroughfare.
17. The contractor will have to maintain qualified technical employees and/or Apprentices at site as per prevailing Apprentice Act or other Departmental Rules & Orders circulated from time to time.
18. The contractor will have to accept the work programme and priority of work fixed by the Engineer-in-charge so that most vulnerable reach and/or vulnerable items be completed before the date needed by the Department due to impending monsoon or rise of water level or for other reasons.
19. The quantities of different items of work mentioned in the tender schedule or in Work Order are only tentative. In actual work, these may vary considerably. Payment will be made on the basis of works actually done in different items and no claim will be entertained for reduction of quantities in some items or for omission of some items. For execution of quantitative excess in any item beyond 10% or supplementary works, approval of the Superintending Engineer / Chief Engineer would be required depending on whoever be the Tender Accepting Authority, before making payment.
20. Any materials brought to site by contractor must be subject to approval of the Engineer-in-charge. The rejected materials must be removed by the contractor from the site at his own cost within 24 hours of issue of the order to that effect. The rates in the schedule are inclusive of cost and carriage of all materials to worksite. The materials will have to be supplied in phase with due intimation to the Sub-Divisional Officer concerned in conformity with the progress of the work. For special type of materials, i.e. Geo Synthetic Bags, HDPE Bags, Geo Textile Filter, Geo Jute Filter, etc. if any,

relevant Data Sheet containing the name of the Manufacturers, Test Report, etc. will also be submitted in each occasion. Engineer-in-charge may conduct independent test on the samples drawn randomly before according approval for using the materials at site. In this regard decision of Engineer-in-charge is final and binding.

21. Penalty for non compliance of work:

Penalty will be imposed in geometric progression for non compliance of work for any part of the plant for any day(s). Amount will be deducted from bill of work straight way.

Payment will be made proportionately as per actual quantity & man days recorded in logbook / register
