2. Supposing that major item of two works in any particular tender are 'Earthwork' and 'Concrete work'. If the arithmetical sum of 25% of the net notional amount of any of the two major items of 'Earthwork' and 'Concrete work' contained in the BoQ of the two serials is less than or equal to the amount of the corresponding major item contained in the CC, the quotationer becomes eligible for both the works.
3. i) However, one completion certificate will be considered for a maximum of two works.
- ii. Average turnover from contracting business should be more than or equal to 25% of aggregate cost of the amount of **Quotation** of works in which the Contractor / Firm / Consortium intends to participate. However, for consortiums where Average turnover of individual entities of the Consortiums are to be considered, the sum of the Average turnover from contracting business of individual entities should be at least 50% of the aggregate cost of the amount of tender of works in which the consortium intends to participate.
- iii. Both the conditions stated in (i) and (ii) above are to be simultaneously satisfied.
- iv. Submission of tenders in excess of 50% of total number of works (Rounded off to next Higher integer) in any particular NIQ will not be considered.

**6.1. Penalty for suppression / distortion of facts**

If any quotationer fails to produce the original hard copies of the documents (especially Completion Certificates and audited Balance Sheets), or any other documents on demand of the Tender Evaluation Committee within a specified time frame or if any deviation is detected in the hard copies from the uploaded soft copies or if there is any suppression, the Tender Evaluation Committee upon suggesting suitable punitive measures will bring the matter to the notice of the Chief Engineer concerned immediately and the quotationer may be suspended from participating in the tenders on e- Quotation platform of Urban Development Department(Salt Lake Project) as per approval of the Chief Engineer for a maximum period 3 (Three) years. In addition, his Earnest Money Deposit will stand forfeited to Government. The concerned Chief Engineer will issue the necessary orders under intimation to the other Chief Engineers, e- Quotation Cell and also the Department. Copy of such Order should also invariably be communicated to the Nodal Officer, e-Governance of this Department with a request to upload the same in the Departmental website.

**6.2. Taxes & duties to be borne by the Contractor**

Income Tax, VAT, Sales Tax, Royalty, Construction Workers' Welfare Cess and similar other statutory levy/ cess will have to be borne by the contractor and the rate should be quoted accordingly after consideration of all these charges. Service Tax, if applicable would be reimbursed subsequently.

**6.3. Site inspection before submission of Quotation papers:-**

Before submitting any tender, the intending quotationer should make themselves acquainted thoroughly with the local conditions prevailing at site by actual inspection of the site and taking into consideration all factors and difficulties likely to be involved in the execution of work in all respect including transportation of materials, communication facilities, climate conditions, nature of soil, availability of local labour and market rate prevailing in the locality etc. and no claim, whatsoever, will be entertained on these account afterwards. In this connection intending tenders may contact the office of the Executive Engineer, concerned with the work between 11:30 hours to 16:30 hours on any working day prior to date of submission of tenders.

**6.4. Conditional and incomplete Quotation:-**

Conditional and incomplete tenders are liable to summary rejection.

**7. Opening and evaluation of Quotation:-**

**7.1. Opening of Technical Proposal:-**

- i. Technical proposals will be opened by the Quotation Inviting Authority or his authorized representative electronically from the website stated above, using their Digital Signature Certificate.
- ii. Technical proposals for those tenders whose scan copy of EMD and credential certificates/payment certificate have been received will only be opened.
- iii. Intending quotationer may remain present if they so desire.
- iv. Cover (Folder) for Statutory Documents (vide Clause 3.2A) will be opened first and if found in order, Cover (Folder) for Non-Statutory Documents (vide Clause 3.2B) will be opened. If there is any deficiency in the Statutory Documents, the tender will summarily be rejected.
- v. Decrypted (transformed into readable formats) documents of the Non-statutory Cover will be downloaded, and handed over to the Quotation Evaluation Committee.

**7.2. Quotation Evaluation Committee (TEC)**

- i. Financial proposals of the quotationers declared technically eligible by the Quotationer Evaluation Committee will be opened electronically by the Quotation Inviting Authority from the web portal stated above on the prescribed date.
- ii. The encrypted copies will be decrypted and the rates will be read out to the contractors remaining present at that time.
- iii. After opening of the financial proposal the preliminary summary result containing inter-alia, name of contractors and the rates quoted by them will be uploaded.
- iv. If the Quotationer Accepting Authority is satisfied that the rate obtained is fair and reasonable and there is no scope of further lowering down of rate, he may after having the comparative statement test checked by the Divisional Accountant / Divisional Accounts Officer attached to the office of the concerned Executive Engineer, instruct the Quotationer Inviting Authority to upload the final summary result containing the name of contractors and the rates quoted by them against each work after acceptance of the rate.
- v. However, if there is any scope for lowering down of rates in the opinion of the Quotation Accepting Authority, all the quotationers will be notified through the website to attend sealed bids to be followed by open bids to be held at the office of the Quotation Accepting Authority in his presence at prescribed date and time, which will be done offline, i.e. as manually, as per present procedure.
- vi. After holding such bids, final result after acceptance of the rate by the Tender Accepting Authority would have to be uploaded in the web portal.
- vii. The Quotation Accepting Authority may ask any of the quotationers to submit analysis to justify the rate quoted by that quotationer.

**7.4. Procedure to be followed when one / two technically qualified quotationers participated in any Quotation:-**

- a. Financial bid of technically qualified / single / two quotationers may not be opened immediately.
- b. 2nd call may be invited immediately after technical evaluation and uploading the list of the list of the technically qualified bidder(s) of the 1<sup>st</sup> call after reviewing the credential criteria and relaxing such criteria if required, to the extent deemed necessary by the Quotation Inviting Authority and also advertisement in the widely circulated newspapers.
- c. If such bidder(s) technically qualified in the 1st call Quotation (s) to change their rates quoted in the 1st call, they need to participate in the 2nd call and submit fresh fee towards tender cost. However fresh EMD need not be submitted and EMD submitted earlier will be considered. In case of non submission of fresh tender fee in the 2nd call, the rates quoted in the 1st call would remain valid while the bid submitted in the 2nd call will be rejected.
- d. If such bidder(s) technically qualified in the 1st call does not participate in the 2nd call then the rate of the 1st call would be deemed to remain valid in the 2nd call also.
- e. After selection of technically qualified quotationers for 2nd call (in case new quotationer other than the existing quotationer of the 1st call), financial bid of both 1st and 2nd call would be Opened.
- f. Financial evaluation for acceptance would be made in a combined way considering both 1st and 2nd call following usual procedures.
- g. However, as stated in clause 6.7 ©, in case quotation(s) of 1st call submit(s) fresh tender in the 2nd call, rates of 2nd call would be considered in the process of evaluation.

- h. In case there is no fresh participation in the 2nd call, financial bid of the technically qualified Quotation (s) of the 1st call would be opened even if there is only one Bidder in the 1st call and would be considered in the process of evaluation for acceptance following usual procedure.
8. **Bid validity:-**  
The Bid will be valid for **120 days** from the date of opening of the financial bid.
9. **Acceptance of Quotation:-**  
Lowest valid rate should normally be accepted. However, the quotation Accepting Authority does not bind himself to do so and reserve the right to reject any or all the tenders, for valid reasons and also reserves the right to distribute the work amongst more than one quotationer.

If any correspondence of above tender is made with Officers other than the Engineer-in-charge for speedy execution of works, the same will not be valid unless copies are sent to the Engineer-in-Charge and approved by him. The instruction given by the Sub-Divisional Officer and the Sub-Assistant Engineer on behalf of the Engineer-in-Charge shall also be valid (who have been authorized to carry out the work on behalf of the Engineer-in-Charge) regarding specification, supervision, approval of materials and workmanship. In case of dispute, the decision of Engineer-in-Charge shall be final and binding.
- 2) The Government shall not be held liable for any compensation due to machines becoming idle for any circumstances including untimely rains, other natural calamities, strike, etc. No compensation for idle labour, establishment charge or on other reasons such as variation of price index etc. will be entertained.
- 3) The Bidder shall have to comply with the provisions of (a) Contract labour (Regulation & Abolition) Rules, 1970, and (b) Minimum Wages Act, 1948 or the modification thereof or any other laws relating thereto as will be in force from time to time.
- 4) No mobilization / secured advance will be allowed unless specified otherwise
- 5) All working tools and plants, scaffolding, construction of vats and platforms will have to be arranged by the contractor at his own cost. The contractor shall also supply mazdoors, bamboos, ropes, pegs, flags etc. for laying out the work and for taking and checking measurements for which no extra payment will be made.
- 6) A machine page numbered Site Order Book (with triplicate copy) will have to be maintained at site by the contractor and the same has got to be issued from the Engineer-in-charge before commencement of the work. Instructions given by inspecting officers will be recorded in this book and the contractor must note down the action taken by him in this connection as quickly as possible.
- 7) The work will have to be completed within the time mentioned in the tender notice. A suitable work programme is to be submitted by the contractor within 7 (Seven) days from the date of receipt of Work Order which should satisfy the time limit of completion. The contractor should inform in writing the name of his authorized representative at site within 7 (Seven) days from the date of receipt of Work Order who will receive instruction of the work, sign measurement book, bills and other Government papers, etc. However the contractor will have to accept the work programme and priority of work fixed by the Engineer-in-charge
- 8) All possible precautions should be taken for the safety of the people and workforce deployed at worksite as per safety rule in force. Contractor will remain responsible for his labour in respect of his liabilities under the Workmen's

compensation Act etc. He must deal with such cases as promptly as possible. Proper road signs as per P.W.D. practice will have to be made by the contractor at his own costs while operating a public thoroughfare.

- 9) The contractor will have to maintain qualified technical employees and/or Apprentices at site as per prevailing Apprentice Act or other Departmental Rules & Orders circulated from time to time.
- 10) The quantities of different items of work mentioned in the tender schedule or in Work Order are only tentative. In actual work, these may vary considerably. Payment will be made on the basis of works actually done in different items and no claim will be entertained for reduction of quantities in some items or for omission of some items. For execution of quantitative excess in any item beyond 10% or supplementary works, approval of the Superintending Engineer / Chief Engineer would be required depending on whoever be the Tender Accepting Authority, before making payment.
- 11) All materials required to complete execution of the work shall be supplied by the contractor after procurement from authorized and approved source and the material brought to the site must be approved by the Engineer-In-Charge. Rejected materials must be removed by the Contractor from the site within 24 hours of the issue of order to that effect.
- 12) For cogent reasons over which the contractor will have no control and which will retard the progress, extension of time for the period lost will be granted on receipt of application from the contractor before the expiry date of contract. No claim whatsoever for idle labour, additional establishment, cost of materials and labour and hire charges of tools & plants etc. would be entertained under any circumstances.
- 13) When one item of work is to be covered up by another item of work the latter item shall not be done before the formal Item has been measured up and has been inspected by the Engineer-in-Charge or the Sub-Divisional officer/Assistant Engineer, as the authorized representatives of the Engineer-in-Charge and order given by him for proceeding with the latter item of work. When however, this is not possible for practical reasons, the Sub-Assistant Engineer, if so authorized by the Sub-Divisional Officer/Assistant Engineer may do this inspection in respect of minor works and issue order regarding the latter item.
- 14) In case of fore closure or abandonment of the works by the Department, the contractor will be eligible to be paid for the finished work and reimbursement of expenses actually incurred but not for any losses.
- 15) The contractor shall have to arrange on his own cost, the required energy for operation of equipments and machineries, for operating of pumping set, illuminating work site, office etc. that may be necessary in difference stages of execution of work.
