Memo No- 509/SE(C)/Sec-VI/ITA/NIT/2023-24

Dated: 16/08/2023

**Detailed e-TENDERING NIT NO: SEC-VI/ITA/03 of 2023-2024**

Superintending Engineer for and on behalf of Sector-VI Industrial Township Authority invites online two part item rate e-tender from the competent, reliable, experience, bonafied and resourceful agency for proven ability having executed similar type of work of value not less 40% of the amount put to tender in a single contract within last 5 (five) years under Government/ Govt. Undertaking/ Autonomous Bodies/ Semi-Govt./ Statutory Bodies/ Local Bodies, for the following works as mentioned in the tender documents.

Sl. No.	Description of work	Estimated Amount (Rs)	Earnest Money Deposit (Rs)	Time of completion
1.	Repairing, maintenance and operation of street lighting system with Octagonal GI poles (9 meters) at ILPA Leather Goods Park, Bantala including supply and fixing of all damage materials as per enclosed schedule for the period of one year (365 day) under Sector-VI ITA.	12,54,528.00	25,091.00	One year (365 days)

**Note:** The bidders should not have adverse report for execution of any project work during last 5(five) years. This clause will lead for rejection of application even after fulfillment of other eligibility criteria.

**Eligibility Criteria:**

- Intending Tenderer should produce Credentials of successfully completed work of value at least 40% of the estimated amount put to tender (i. e INR 5,01,820.00 in single tender during last 5(five) years prior to the date of issue of this tender notice in any Govt./Semi-Govt. / Undertaking /Autonomous Bodies / Statutory Bodies and Local Bodies; or,
- Intending Tenderer should produce Credentials of successfully completed 2(two) works each of value at least 30% of the estimated amount put to tender (i.e., INR 3,76,360.00 during last 5(five) years prior to the date of issue of the tender notice in any Govt./Semi-Govt. / Undertaking /Autonomous Bodies / Statutory Bodies and Local Bodies; or
- Intending Tenderer should produce Credentials of one single running work which has been completed to the extent of 80% or more of value at least INR 10,03,630.00 in any Govt./Semi-Govt./ Undertaking /Autonomous Bodies / Statutory Bodies and Local Bodies.

**Additional Terms and Conditions:**

- An affidavit/ declaration to be submitted separately that a full-fledged technically supported office/establishment nearer to the site will be developed to tackle exigencies at site.

- Defect liability period/Security period will be 1 (one) year from the date of completion of the maintenance period applicable for only the consumable materials provided within the maintenance period.
- Since the work will be executed within the specified working site/location within ILPA campus, Bantala, the successful bidder will take every precaution while execution to safeguard the installations within the working site/location and will make good the damages if any occur during execution of work within working site/location.
- The successful bidder should perform all the works keeping good relationship with the ILPA Authority or personnel, and should avoid any type of dispute/disagreement/controversy with any of the ILPA personnel. In case of rise of any such dispute/disagreement/controversy, the bidder/contractor has to solve the matter on his own.

#### **Documents to be produced in support of Credential:**

A successful performance and completion certificate supplemented with work order along with payment certificate issued by the competent authority shall have to be furnished in support of credibility in terms with eligibility criteria depicted in this Notice (**Eligibility to participate in the tender**). Besides this, following documents shall have to be furnished:

- a) Particulars of ownership/partnership or Board of Directors pertaining to the Organization/Company/Firm

- e) Proper and valid Contractor Electrical License issued by competent Government Authority and corresponding Supervisory Certificate of competency issued by the competent Government Authority
- f) List of Technical Personnel employed under the organization in details with names, qualification, experience and address with contact number.
- g) Corresponding address should be within West Bengal together with Fax, Telephone nos., Contact mobile no. & Email no. of the tenderer.
- h) The average annual turnover of last three financial years, of the intending bidder, shall have to be at least Rs. 10 lakh (Rupees ten lakh Only).
- i) Audited Balance Sheets and I.T. Return (Saral) of last three financial years regarding annual turnover from contracting business in each year.

#### **All documents in original to be produced in due course of time as & when asked by the Tender Inviting Authority**

**The Rate is to be quoted considering 18% GST, 1% Labour Welfare Cess and all other taxes and duties as applicable by Govt. Norms.**

Intending bidders desirous of participating in the tender have to log on to the website <http://wbtenders.gov.in> (the web portal of the GoWB) and click on to the “e-procurement” link provided. They may also visit the website <https://wburbandservices.gov.in> for the tender. The tender can be searched in the search engine provided in the website.

Bidders willing to take part in the process of e-tendering are required to obtain Digital Signature Certificate (DSC) from any authorized Certifying Authority (CA) under CCA, Govt. of India (viz. NIC, nCode Solution, Safescrypt, e-Mudhra, TCS, MTNL, IDRBT) DSC is given as a USB e-Token. After obtaining the Class 2 or Class 3 Digital Signature Certificate (DSC) from the approved CA they are required to register the fact of possessing the Digital Signature Certificates through the registration system available in the website.

Tenders are to be submitted online and intending bidders are to download the tender documents from the website stated above, directly with the help of the e-Token provided. This is the only mode of collection of

tender documents. Details of submission procedure are given below under "General terms and conditions and information".

**Last date & time of submission of bids online is 11/09/2023 at 17:00 Hrs.**

The intending bidder must read the terms and conditions of the NIT carefully. He should particularly go through the eligibility criteria required and satisfy himself of the requirements for eligibility. He should only submit his bid if he considers himself eligible and he is in possession of all the documents required.

All information posted on the website consisting of NIT and related documents, Form No I, BOQ, Corrigendum etc. and Drawings if any, shall form part of the tender document.

### **General Terms and Conditions and Information**

#### **1. Eligibility for participation:**

Bonafide Contractors, Partnership firms registered with the State Government are eligible to participate, depending on the criteria as detailed below.

#### **2. Submission of Tenders**

##### **2.1 General process of submission**

Tenders are to be submitted online through the website stated. All the documents uploaded by the Tender Inviting Authority form an integral part of the contract. Tenderers are required to upload all the tender documents along with the other documents, as asked for in the tender, through the above website within the stipulated date and time as given in the Tender. Tenders are to be submitted in two folders at a time for each work, one is Technical Proposal and the other is Financial Proposal. The tenderer shall carefully go through the documents and prepare the required documents and upload the scanned documents in Portable Document Format (PDF) to the portal in the designated locations of Technical Bid. He needs to fill up the rates of the BOQ, downloaded for the work, in the designated Cell and upload the same in designated location of Financial Bid. The documents uploaded are virus scanned and digitally signed using the Digital Signature Certificate (DSC). Tenderers should specifically take note of all the addendum / corrigendum related to the tender and upload the latest documents as part of the tender.

##### **2.2 Technical Proposal**

The Technical Proposal should contain scanned copies and / or declarations in the following standardized formats in two covers (folders).

##### **A Technical File (Statutory Cover) containing:**

- i. Application for Tender (Vide Form-1) (to be submitted in 'Forms' folder)

- iii. Earnest Money Deposit (EMD) – Earnest Money will be deposited by the bidder electronically: online through his net banking enabled bank account, maintained at any bank **or** offline through any bank by generating NEFT/RTGS Challan from the e-tendering portal. Intending Bidder will get the Beneficiary details from e-tender portal with the help of Digital Signature Certificate and may transfer the **EMD** from their respective bank as per the Beneficiary Name and Account No., Amount, Beneficiary Bank Name and IFSC Code and also e-procurement Ref. No.

**If the L1 bidder does not agree to execute the job after opening of Bid, the Earnest Money will be forfeited without any further intimation and may be construed as an attempt to disturb the tendering process and dealt with accordingly legally including debarment up to 3(three) years of the Bidder.**

- iv. Scanned Copy of One affidavit before Notary will have to be submitted for each serial mentioning the correctness of the documents and a declaration of penalty debarment etc. faced by him under any Govt. /Semi- Govt./Autonomous body/Institution online at desired location. (as per Format Attached)

**Note: Tenders will be summarily rejected if any item in the statutory cover is not uploaded.**

**B. Tenderer should upload following Documents in "All Other Important Documents" Folder in Statutory Cover**

**i. Certificates:**

- 1) Credential certificates as stated above in "Eligibility Criteria".
- 2) Professional Tax (PT) Clearance Certificate & submission Challan and PAN Card details. Application for such addressed to the competent authority may also be considered.
- 3) GST Registration Certificate.
- 4) Bank solvency Certificate not less not less than INR 5,00,000 Lakh (Rupees Forty Crore Only) and issued not before 06 (Six) Months from the last date of Bid Submission from any Scheduled Bank and valid at the time of last date of bid submission of e-NIT.
- 5) Proper and valid Contractor Electrical License issued by competent Government Authority and corresponding Supervisory Certificate of competency issued by the competent Government Authority having part 1, 2, 7A, 7B and 11 or National Certificate of supervisor and also as are required as per Government norms depending on the nature and/or gravity of the works/installations related in this turnkey job.
- 6) P.F. and ESI Registration Certificate.
- 7) Details of Technical Manpower and Machineries.
- 8) The intending bidder should have registered office at within West Bengal for Communication purpose. Fax, Telephone nos., Contact mobile no. & Email no. of the tenderer have to be submitted.

**ii. Company Details**

1. Registered Deed for Partnership Firm from Registrar to be submitted. Only application for registration will not be considered. However in cases where the applicant is yet to receive registration certificate, the applicant is to submit an affidavit in non judicial stamp paper along with the application pledging that "*the registration certificate of the Partnership firm / would be submitted to the Tender Inviting Authority before making agreement with the Tender Accepting Authority in case he is found lowest*". In case of in-ordinate delay in submitting the document his bid is liable to be rejected and his EMD deposited will stand forfeited to Government. Any change in the constituents of the partnership firm should also be registered from the Office prior to the date of application of tender otherwise his application will be rejected.  
*Note: An affidavit regarding authorized user of DSC for Consortium and a declaration regarding such authorization for Limited companies is to be submitted.*
2. Trade License for Proprietorship Firms.
3. Memorandum of Articles for Limited Companies.
4. Following documents shall have to upload by a Partnership Firm in addition to the other stated documents:
  - i) The power of Attorney for the firm for signing the tender by a partner.
  - ii) Partnership Deed.

**iii. Credential:**

Credential Certificate issued by an officer not below the rank of Executive Engineer / Divisional Engineer / District Engineer / Project Manager of the other State / Central Government Departments / Organisations along with Work Order and Payment Certificate to be submitted in 'Credential' folder. The scanned copy of the Certificate should be uploaded with the non-statutory cover. However, Credential Certificate issued to sub-contractor by Central or State Govt undertaking /Govt Enterprise shall not be accepted.

**iv. Balance Sheet:**

Audited Balance Sheets and I.T. Return (including Form 3CD) of last three financial years regarding annual turnover from contracting business in each year.

*(If the company was set up less than three years ago, Audited balance sheet for the no of years since inception is to be submitted).*

v. **Addenda / Corrigendum: if published.**

**Note:** Contractors are to keep track of all the Addendum / Corrigendum issued with a particular tender and upload the same digitally signed along with the NIT Tenders submitted without the Addendum / Corrigendum will be informal and liable to be rejected.

vi. **Others: Any other documents found necessary**

**Note:** Failure of submission of any one of the above-mentioned documents will render the tender liable to summary rejection. These above-mentioned documents should be upload in "All Other Important Documents" folder in Technical Cover.

- vii. The bidder should not have record of poor performance or they should not have been blacklisted by any employer during the last five years prior to the date of the NIT unless specifically revoked. Such abandonment or punishment will be considered as disqualification towards eligibility. A declaration in this respect through affidavit has to be furnished by the prospective bidders as per Format IV **without which the Technical Bid shall be treated as non responsive.** The scanned copy of the affidavits and declarations should be uploaded along with other documents.

**2.2.1 Financial Proposal**

The financial proposal should contain the following documents in one cover (folder).

- i) **Bill of Quantities (BOQ):** The contractor is to quote his percentage above/below online for this percentage rate tender through computer in the space marked for quoting percentage in the BOQ (*downloaded copies of the above documents may be uploaded, virus scanned and digitally signed by the contractor*).
- ii) **Rate to be quoted including 18% GST, 1% L.W. CESS and any other Govt. statutory taxes**

**3. Completion Certificate:**

- i. Completion Certificates for fully completed works during the current year and last five financial years will only be accepted. Certificates issued for partly completed works will not be considered.
- ii. Completion Certificate of work executed in SECTOR-VI ITA will be considered. Completion Certificate of works executed in other Departments of State Government or organizations, like Public Works & Public Works (Roads) Department, Irrigation & Waterways Department, Public Health Engineering Department, Sundarban Affairs Department and various other State Government Departments, Zilla Parishads, West Bengal Housing Infrastructure Development Corporation Limited (WBHIDCO), West Bengal State Electricity Distribution Company Limited (WBSEDCL), Kolkata Metropolitan Development Authority (SECTOR-VI ITA), Kolkata Metropolitan Water Sanitation Authority (KMW&SA), Kolkata Municipal Corporation (KMC), Other Municipalities, Hooghly River Bridge Commissioner (HRBC), Engineering Departments of Central Government and Organizations like Farakka Barrage Project (FBP) Authority, Railways, Kolkata Port Trust (KoPT), and companies owned or managed by the State Government, i.e. Mackintosh Burn Ltd., Westinghouse Saxby Farmer Limited & Britannia Engineering Ltd. may also be considered. Such Completion Certificates are to be issued by an officer not below the rank of Executive Engineer / Divisional Engineer / District Engineer / Project Manager of the other State / Central Government Departments / Organizations.

**3.1 Penalty for suppression / distortion of facts**

If any tender fails to produce the original hard copies of the documents (especially Completion Certificates and audited balance sheets), or any other documents on demand of the Tender Evaluation Committee within a specified time frame or if any deviation in the hard copies from the uploaded soft copies or if there is any suppression, the Tender Evaluation Committee upon suggesting suitable punitive measures will bring the matter to the notice of the Chief Engineer concerned immediately and the tenderer may be suspended from participating in the tenders on e-Tender platform of Sector-VI Industrial Township Authority as per approval of the Chief Engineer for a maximum period 3 (three) years. In addition, his Earnest Money Deposit will stand forfeited to Sector-VI Industrial Township Authority. The Chief Engineer concerned will issue

the necessary orders under intimation to the other Chief Engineers, e-Tendering Cell and also the Department, copy of such order should also invariably to be communicated to the Nodal Officer, e-Governance of this Department with a request to upload the same in the Departmental website.

### **3.2 Taxes & duties to be borne by the Contractor**

Income Tax, Labour Cess, GST and Other Taxes as per Govt. Rule to be borne by the contractor and the rate should be quoted accordingly after consideration of all these charges.

### **3.3 Site inspection before submission of tender**

Before submitting any tender, the intending tenderers should make themselves acquainted thoroughly with the local conditions prevailing at site by actual inspection of the site and taking into consideration all factors and difficulties like to be involved in the execution of work in all respect including transportation of materials, communication facilities, climate conditions, nature of soil, availability of local labour and market rate prevailing in the locality etc. and no claim, whatsoever, will be entertained on these account afterwards. In this connection intending tenderers may contact the office of the Executive Engineer, concerned with the work between 11.30 hours to 16.30 hours on any working day prior to date of submission of tenders.

3.4 Agency shall have to arrange required land for installation of Plant & machineries, storing materials, labour shade etc. at their own cost and responsibility nearest to the work site.

### **3.5 Conditional and incomplete tender**

Conditional and incomplete tenders are liable to summary rejection.

## **4. Opening and evaluation of tender**

### **4.1 Opening of Technical Proposal**

- a) Technical proposals will be opened by the Tender inviting authority or his authorized representative electronically from the website stated above, using their Digital Signature Certificate.
- b) Intending tenderers may remain present at the time of opening if they so desire.
- c) Statutory/Technical Documents will be opened first and if found in order, Financial Documents will be opened. If there is any deficiency in the Statutory Documents, the tender will summarily be rejected.
- d) Decrypted (transformed into readable formats) documents of the Non-statutory Cover will be evaluated to finalize eligible tenderers.

### **4.2 Tender Evaluation Committee (TEC)**

Committee already constituted for issuance of tender papers for high value tenders, vide CEO, Sector-VI Industrial Township Authority's order will continue to function as Tender Evaluation Committee (TEC), for evaluation of Technical Proposals of the tenders, until further order.

### **4.3 Uploading of summary list of technically qualified Tenderer**

- i. Pursuant to scrutiny and decision of the Technical Evaluation Committee (TEC), the summary list of eligible tenderers for a particular serial of work whose Financial Proposals will be considered will be uploaded in the web portals.
- ii. While evaluation, the Committee may summon the tenderers and seek clarification / information or additional documents or original hard copy of any of the documents already submitted and if these cannot be produced within the stipulated timeframe, their proposals will be liable for rejection.

### **4.4 Opening and evaluation of Financial Proposal**

- i. Financial proposals of the tenderers declared technically eligible by the Tender Evaluation Committee will be opened electronically by the Tender Inviting Authority from the web portal stated above on the prescribed date.
- ii. The encrypted copies will be decrypted and the rates will be read out to the contractors remaining present at that time.
- iii. After opening of the financial proposal, the preliminary summary result containing inter-alia, name of contractors and the rates quoted by them will be uploaded

- iv. If the Tender Accepting Authority is satisfied that the rate obtained is fair and reasonable and there is no scope of further lowering down of rate, he may after having the comparative statement checked, upload the final summary result containing the name of contractors and the rates quoted by them against each work after acceptance of the rate.
- v. The Tender Accepting Authority may ask any of the tenderers to submit analysis to justify the rate quoted by that tenderer.

5. **Bid Validity:** The Bid will be valid for **120 days** from the date of opening of the financial bid.

6. **Acceptance of Tender**

Lowest valid rate should normally be accepted. **However, the Tender Accepting Authority does not bind himself to do so and reserves the right to reject any or all the tenders, for valid reasons.**

6.1 **Tender Accepting Authority**

As per prevalent orders of Finance Department, Audit Branch, Group-T, GoWB, Tender Accepting Authority for different tenders shall be followed.

6.2 **Execution of Formal tender after acceptance of tender**

The tenderers, whose tender is approved for acceptance, shall within 20days of the receipt of Letter of Acceptance (LOA) to him, will have to execute 'Formal Agreement' with the Tender Accepting Authority in four (4) copies and one original copy of Sector-VI Industrial Township Authority Form No.I which may be purchased on Pay Order/Demand Draft from the office of the Executive Engineer concerned with the work. Cost of each copy of Formal Agreement shall be Rs.1,000.00 (Rupees One Thousand only) excluding the cost of Tender Form.

6.3 The NIT shall form a part of the contract agreement. On acceptance of the bid, the successful bidder shall have to sign the contract consisting of NIT, instruction to bidders, special terms and conditions, specification, BOQ, Drawing, Rate quoted, LOA and Tender Form I.

7. **Payment**

The payment of RA bill as well as final bill for any work will be made according to the availability of fund and no claim to delay in payment will be entertained.

The payment of RA bill as well as final bill for any work will be made after submission of the bill by the Contractor as per the Payment Breakup.

8. **Security Deposit:**

i) The Earnest money deposited by the lowest bidder (hereinafter shall be called the contractor) shall be converted into security deposit. The additional earnest money if any have to be deposited by the lowest bidder before the issuance of LOI.

ii) The authority making payment shall deduct such sum which together with the Earnest Money already deposited and converted into security deposit, shall amount to 10% of the value of works executed at the material point of time and paid during the progressive running accounts bills, so that total deduction against Security deposit together with Earnest Money constitute 10% of the tendered value of work actually done.

iii) For this work with **one year's Defect Liability Period:**

Full security deposit shall be refunded to the contractor on expiry of one year from the actual date of completion of the work.

iv) **The additional performance security shall be obtained from the successful bidder if the accepted bid value is more than 20% less than the estimated amount put to tender. The additional performance security shall be equal to 10% of the tendered amount. The additional performance security shall be submitted in the form of Bank Guarantee before issuance of work order.**

9. **Defect Liability:**

- i) The contract will have the Defect liability for a period of 1 (one) year from the date of successful completion only for the consumable materials provided within the maintenance period by the contractor.
- ii) Prospective Bidder shall have to execute the work in such manner so that appropriate service level of the work under improvement is to be maintained during progress of the work and during Defect Liability Period from the date of successful completion of the work up to the entire satisfaction of the Engineer in Charge. If any defect / damage is detected during this period as mentioned above the contractor shall make the same good at his own expense to the satisfaction of the of the Engineer in Charge or in default the Engineer in Charge may cause the same to be made good by other agency and deduct the cost (of which the certificate of the Engineer in Charge shall be final) from his security deposit or any sums that may be then, or at any time thereafter become due to the contractor.
- iii) If the contractor or his workmen or servants or authorized representatives shall break, deface, injure, or destroy any part of installations, in which they may be working, or any building, road, road-curbs, fence, enclosure, water pipes, cables, drains, electric or telephone posts or wires, trees, grass or grassland or cultivated ground contiguous to the premises, on which the work or any part of it is being executed, or if any damage shall happen to the work from any cause whatsoever or any imperfection become apparent in it at any time whether during its execution or within a period of one year (depending upon the nature of the work as described in the explanation appended hereto) hereinafter referred to as the Defect Liability Period, from the actual date of completion of work as per completion certificate issued by the Engineer-in-Charge, the contractor shall make the same good at his own expense, or in default, the Engineer-in-Charge may cause the same to be made good by other workmen and deduct the expense (of which the certificate of the Engineer-in-Charge shall be final and binding on all concerned) from any sums, whether under this contract or otherwise, that may be then, or at any time thereafter become due to the contractor from the Government or from his security deposit, either full, or of a sufficient portion thereof and if the cost, in the opinion of the Engineer-in-Charge (which opinion shall be final and conclusive against the contractor), of making such damage or imperfection good shall exceed the amount of such security deposit and/or such sums, it shall be lawful for the Government to recover the excess cost from the contractor in accordance with the procedure prescribed by any law for the time being in force.

10. The various documents comprising the full set of tender documents are complementary to one another and are to be taken as parts of a complete whole and mutually explanatory. These are subject to the provisions of Clause 5 (2) of the General Conditions of Contract and to the following condition. If the stipulations in the various tender documents be found to be at variance in any respect, one will override others, only to the extent as those are at variance, in the order of precedence as given in the list below:

- i) The printed tender Form (Sector-VI ITA Form No.1),
- ii) Letter of Acceptance,
- iii) Corrigendum, addendum, etc. before opening of tender,
- iv) BOQ/Price-schedule,
- v) Abridged and detailed NIT,

The willing bidders are requested to go through this NIT and the BOQ carefully. If they find any discrepancy or ambiguity in any Clause/Clauses of this NIT or any Clause/Clauses is/are not clear to them, they should bring it to the notice of the Tender Inviting Authority in the Pre-Bid Meeting itself and the Authority or his representative shall rectify or adjust or explain the meaning of the said Clause. Any discrepancy or ambiguity found by the contractor in any Clause of the NIT after opening the financial bid, the explanation of this Authority is final and binding to the Contractor. No extra payment shall be payable to the Contractor in this regard under any circumstances.

## 11. Withdrawal of Tender

As per NIC Rules.

### **Additional Terms & Conditions**

1. The Superintending Engineer (TIA) will be the Authorized Officer in respect of the contract and all correspondence concerning rates, claims, change in specification and/or design and similar important matters will be valid only if made by the Superintending Engineer (E/M). The Executive Engineer concerned will be the Engineer-in-Charge. If any correspondence of above tender is made with Officers other than the Engineer-in-Charge for speedy execution of works, the same will not be valid unless copies are sent to the Engineer-in-Charge and approved by him. The instruction given by the Assistant Engineer and the Junior Engineer on behalf of the Engineer-in-Charge shall also be valid (who have been authorized to carry out the work on behalf of the Engineer-in-Charge) regarding specification, supervision, approval of materials and workmanship. In case of dispute, the decision of Engineer-in-Charge shall be final and binding.
2. The acceptance of the tender will rest with the Tender Accepting Authority without assigning reason thereof. The accepting authority reserves right to reject any or all tenders without assigning any reason thereof.
3. There shall be no provision for arbitration.
4. The Bidder shall have to comply with the provisions of (a) Contract labour (Regulation & abolition) Rules, 1970(b) Minimum Wages Act 1948 or the modification thereof or any other laws relating thereto as will be in force from time to time.
5. Department shall not entertain any claim whatsoever from the contractor for payment of compensation on account of idle labour on any ground including non-possession of land.
6. The Government shall not be held liable for any compensation due to machines becoming idle for any circumstances including untimely rains, other natural calamities, strike etc.
7. Imposition of any duty / tax / royalty etc. whatsoever of its nature (after work order / Commencement and completion of the work) is to be borne by the bidder. Original challans of those materials, which are procured by the bidder, may be asked to be submitted for verification.
8. No mobilization / secured advance will be allowed unless specified otherwise.
9. No Adjustment of Price or Price Escalation of the tendered amount of any kind will be allowed.
10. Income Tax, GST and other Taxes if any are to be paid by the contractor. No extra payment will be made for these. The rates of supply and finished work items are inclusive of these.
11. All working tools and plants, scaffolding, construction of vats & platforms will have to be arranged by the contractor at his own cost.
12. The contractor shall supply mazdoors, bamboos, ropes, pegs, flags etc. for laying out the work and for taking and checking measurements for which no extra payment will be made.
13. The contractor should see the site of works and tender documents, drawings etc. before submitting tender and satisfy himself regarding the condition and nature of works and ascertain difficulties that might be encountered in executing the work, carrying materials to the site work, availability of drinking water and other human requirements and security etc. The Engineer-in-Charge may order the contractor to suspend any work that may be subjected to damage by climate conditions. No claim will be entertained on this account. The contractor will not be entitled to any claim or extra rate on any accounts.
14. A machine page numbered Site Order book (with triplicate copy) will have to be maintained at site by the contractor and the same has got to be issued from the Engineer-in-Charge before commencement of the work. Instructions given by inspecting officers will be recorded in this book and the contractor must note down the action taken by him in this connection as quickly as possible.
15. The work will have to be completed within the time mentioned in the tender notice. A suitable work program is to be submitted by the contractor within 7(seven) days from the date of receipt of work order which should satisfy the time limit of completion. The contractor should inform in writing the name of his authorized representative at site within 7 (seven) days from the date of receipt of work order who will receive instruction of the work, sign measurement book, bills and other Govt. papers etc.
16. No compensation for idle labour, establishment charge or on other reasons such as variation of price index etc. will be entertained.
17. All possible precautions should be taken for the safety of the people and work force deployed at worksite as per safety rule in force. Contractor will remain responsible for his labour in respect of his liabilities under the

Workmen's Compensation Act etc. He must deal with such cases as promptly as possible. Proper road signs as per P.W.D. practice will have to be made by the contractor at his own costs while operating a public thoroughfare.

18. The contractor will have to maintain qualified technical employees and/or Apprentices at site as per prevailing Apprentice Act or other Department Rules & Orders circulated from time to time.
19. The quantities of different items of work mentioned in the BOQ and tender schedule or in work order are binding to the contractor. Payment will be made on the basis of works actually done in different items and no claim will be entertained for reduction of quantities in some items or for omission of some items. For execution of quantitative excess of any item beyond 10% or supplementary tender item of works, approval of the Superintending Engineer / Chief Engineer would be required depending on whoever be the Tender Accepting Authority, before making payment.
20. Any materials brought to site by contractor must be subject to approval of the Engineer-in-Charge. The rejected materials must be removed by the contractor from the site at his own cost within 24 hours of issue of the order to that effect. The rates in the schedule are inclusive of cost and carriage of all materials to worksite. The materials will have to be supplied in phase with due intimation to the concerned Engineer –in Charge in conformity with the progress of the work. For special type of materials, relevant Data Sheet containing the name of the Manufacturers. In this regard decision of Engineer-in-Charge is final and binding.
21. All machineries and equipment must be purchased from reputed authorized manufactures and dealers as per Vendor's List having BIS certification after due approval from the concerned Superintending Engineer/ Executive Engineer.
