**13. All insurance at contractor's cost:** The insurances referred to in this bid document shall be entirely at the cost and expenses of the contractor.

**14. Remedy on contractor's failure to insure**

If the contractor shall fail to effect and keep in force the insurance referred to clauses hereto, or any other insurance which he may be required to effect under the terms of the contract, then and in any such case may effect and keep in force any such insurance and pay such premium or premiums as may be necessary for that purpose and from time to time and deduct double the amount so paid by the Municipal Authority as aforesaid from any moneys due or which may become due to the contractor or recover the same as a debt due from the contractor.

**16. Idle Labour** No claim for idle labour would be entertained under any circumstances.

**17. Inspection Facilities** The contractor shall provide necessary facilities for inspection of the supplied items for quality control by the Engineer and for the purpose of carrying his instructions as may be recorded in writing in site Order Book.

**18. Labour Act** The contractor should obtain the license under the provision of the contract labour (Regulation and Abolition) Act 1970 and contract labour (regulation and Abolition) general rules, 1971 including the provisions of amendments made there under of the same to the office of the Executive Engineer within seven days after formal agreement.

**19. Language for Correspondences** The bid and all correspondence and documents related to the bid exchanged by the bidder and Authority shall be written in English language. Supporting documents and printing literature furnished by bidder may be another language provided they are accompanied by an accurate translation of the relevant passages in English. For the interpretation of the bid, the English translation shall prevail.

**20. Contractor's Local Address** The contractor shall furnish the postal address of his site office. Any notice or instruction to be given to the contractor under the terms of contract shall be deemed to have been served if it has been delivered to his authorized agent or representative of site or sent by registered letter to the site office or to the address.

21. **Precedence of Contract Documents** If any stipulation indicated in any component of contract documents be at variance in any respect with those in the other, the decision of the Executive Engineer will stand final and binding.

22. **Time of Completion** The entire work as per schedule and specification shall be completed within stipulated time from the date of issue of work order. Extension of time will not be granted except in very exceptional circumstances beyond the control. This clause of extension of time will have precedence over any other similar clauses if they are at variance with penalty for non-completion of the supply work in time as indicated elsewhere.

23. **Action for non-completion** Failure to comply with above conditions and specifications will result in the Authority taking action at the risk and cost of the contractor. Submission of the bid binds the contractor for complying with requirements of the above conditions and specifications without any extra payment on any account.

**24. There will be no provision of Arbitration.**
