DESIGN BRIEF

“Architectural Design of the Proposed State Government Office Complex (SGO Complex) in Plot No.DF-09, Sector-I, Bidhnanagar, Kolkata-700 064”.

ABOUT THE PROJECT

Various state government departments/organizations have approached Urban Development Department for allotment of land and also for build up space for the purpose of their respective office use. It is found very difficult to allot land and built up space to each of them, separately, as the availability of land in Salt Lake is very scarce. It has been decided to construct a common office complex which may meet such requirement.

A plot of land in DF-9, Sector-I, Bidhannagar, Kolkata- 700 064 measuring, approximately, 31 (thirty one) cottah has been earmarked for that.

The authority has a dream that this multifunctional city of Salt Lake will get a unique landmark building with good aesthetics. It will be an eye catching building which may enhance the urbanscape. The aim of the authority is to have a building with unique combination of the best natural resources and the modern technology. The building should be an Eco- Friendly one with building materials those are environmental friendly and locally resourced. We aim to create a healthy, efficient building that will help to promote a green corporate image to all. The proposed building should fully air-conditioned.
