

Siliguri Jalpaiguri Development Authority

SILIGURI JALPAIGURI DEVELOPMENT AUTHORITY
(A STATUTORY AUTHORITY OF GOVT. OF WEST BENGAL)
(AN IS/ISO 9001:2008 CERTIFIED ORGANISATION)

Website: www.sida.org, **E-Mail:** sidawb@gmail.com

Address: SJDA Office, near Passport Seva Laghu Kendra,
Himanchal Vihar, Matigara.

Phone No.: 0353 - 2512922 / 2515647

Siliguri, Dist. Darjeeling, West Bengal,
India - 734010.

Notice Inviting Expression of Interest (EOI)

No. 103/Plg/2023-24/SJDA

Dated: 11.01.2024

Online Expression of Interest (EOI) is invited from reputed/experienced Consultancy Firms/ Companies/ Organizations for Preparation of Land Use Map & Register (LUMR) and Land Use & Development Control Plans (LUDCP) as per the provision of West Bengal Town and Country (Planning and Development) Act 1979, as amended up to till date.

LUMR and LUDCP are to be prepared for an area of **526878.12 acres** or **2132.24 SqKm.** for planning area of Siliguri Jalpaiguri Development Authority (SJDA) comprising of total **531 mouzas** described in Schedule-I given below:

Schedule-I

Sl No	District	Police Station *	Block/Municipality	Area in acre	Area in Sq.Km	Population as per 2011 census
1.	Darjeeling	Siliguri	Siliguri (SMC)	3840.02	15.54	513264
2.	Darjeeling	Matigara	Matigara	25266.04	102.25	135100
3.	Darjeeling	Naxalbari	Naxalbari	33164.36	134.21	92884
4.	Darjeeling	Phansidewa	Phansidewa	76929.15	311.33	203784
5.	Darjeeling	Kharibari	Kharibari	35925.97	145.39	109251
6.	Jalpaiguri	Jalpaiguri	Jalpaiguri (JMC + GP)	126745.00	512.93	166036
7.	Jalpaiguri	Rajganj	Rajganj	84293.64	341.13	73523
8.	Jalpaiguri	Mainaguri	Mainaguri	15632.62	63.26	174525
9.	Jalpaiguri	Mal	Mal	125081.32	506.20	160720
Total				526878.12	2132.24	1629087

*Above Police stations include Pradhannagar, Bagdogra, Bhaktinagar, New Jalpaiguri etc in the respective area.

Detailed schedule of mouza is annexed in **Annexure 'A'** of this document. Out of the above area, for mouzas under Siliguri P.S (including Matigara P.S.), part of Rajganj P.S., Jalpaiguri P.S.(Jalpaiguri Urban Area and part of Jalpaiguri P.S.) and part of Naxalbari P.S., LUMR has been prepared and LUDCP (earlier termed as ODP) was approved and notified in 1992 (refer note in Annexure A), latest amendment of LUDCP has been made in 2001. For mouzas under Phansidewa P.S. and Kharibari P.S. within Darjeeling District and Mouzas

I/471066/2024

under Mainaguri P.S. (14 mouzas) Mal P.S. including Mal Municipal area within Jalpaiguri District, LUMR is published and notified in 2016.

1. **Intending bidders shall download the tender document from the website directly by the help of e-Token.**

Earnest Money Deposit of e-procurement

The EMD to be submitted by the BIDDER is Rs. 2.00 lakh.

Online receipt and refund of EMD of e-procurement will be made through State Government e-Procurement portal. The following procedure to be adopted for deposit of EMD/Bid Security/Tender fees related to e-Procurement of the State Government departments.

Performance Bank Gurantee:

After successful selection of the Bidder, the Bidder needs to submit a Performance bank guarantee (PBG) of 10% (or as applicable at the material point of time) of the Gross Project Cost (Cost including GST).

The submitted EMD will be adjusted into the PBG. However, if the PBG is less than EMD, the entire EMD will be considered as PBG and there will be no refund.

The PBG will be released after the Gazette Notification of the LUDCP.

A. Login by bidder: -

- a) A bidder desirous of taking part in a tender invited by a State Government Office shall log in to the e-Procurement portal of the Government of West Bengal <https://wbtenders.gov.in> using his login ID and password.
- b) He/she will select the tender to bid and initiate payment of pre-defined EMD/Tender Fees for that tender by selecting from either of the following payments modes.
 - i) Net banking or RTGS/NEFT (any of the banks listed in the ICICI Bank Payment gateway) in case of payment through ICICI Bank Payment Gateway.

B. Payment procedure:

i.) Payment by Net Banking (any listed bank) through ICICI Bank Payment Gateway

- a. On selection of net banking as the payment mode, the bidder will be directed to ICICI Bank Payment Gateway webpage (along with a string containing a Unique ID) where he will select the Bank through which he wants to do the transaction.
- b. Bidder will make the payment after entering his Unique ID and password of the bank to process the transaction.
- c. Bidder will receive a confirmation message regarding success/failure of the transaction.
- d. If the transaction is successful, the amount paid by the bidder will get credited in the respective Pooling account of the State Government maintained with the Focal Point Branch of ICICI Bank at R.N. Mukherjee Road, Kolkata for collection of EMD/Tender Fees.
- e. If the transaction is failure, the bidder will again try for payment by going back to the first step.

I/471066/2024

ii.) Payment through RTGS/NEFT:-

- a. On Selection of RTGS/NEFT as the payment mode, the e-Procurement portal will show a pre-filled challan having the details to process RTGS/NEFT transaction.
- b. The bidder will print the Challan and use the pre-filled information to make RTGS/NEFT payment using his Bank Account.
- c. Once payment is made, the bidder will come back to the e-Procurement portal after expiry of a reasonable time to enable the NEFT/RTGS process to complete, in order to verify the payment made and continue the bidding process.
- d. If verification is successful, the fund will get credited to the respective Pooling account of the State Government maintained with the Focal Point Branch of ICICI Bank at R.N. Mukherjee Road, Kolkata for collection of EMD/Tender Fees.
- e. Hereafter, the bidder will go to e-Procurement portal for submission of his bid.
- f. But if the payment verification is unsuccessful, the amount will be returned to the bidder's account.

C. Refund/Settlement Process:

- i. After opening of the bids and technical evaluation of the same by the tender inviting authority through electronic processing in the e-Procurement portal of the State Government, the tender inviting authority will declare the status of the bids as successful or unsuccessful which will be made available, along with the details of the unsuccessful bidders, to ICICI Bank by the e-Procurement portal through web services.
- ii. On receipt of the information from the e-Procurement portal, the Bank will refund, through an automated process, the EMD of the disqualified bidders as per the technical evaluation, to the respective bidders' source bank accounts. Such refund will be settled within T+2 Bank Working Days where T will mean the date on which information on rejection of bid is uploaded on the e-Procurement portal by the tender inviting authority.
- iii. Once the financial bid evaluation is electronically processed in the e-procurement portal, EMD of the technically qualified bidders other than that of the L1 and L2 bidders will be refunded, through an automated process, to the respective bidders' source bank accounts. Such refund will be settled within T+2 Bank Working Days where T will mean the date on which information on rejection of financial bid is uploaded to the e-Procurement portal by the tender inviting authority. However, the L2 bidder should not be rejected till the LOI process is successful.
- iv. If the L1 bidder accepts the LOI and the same is processed electronically in the e-Procurement portal, EMD of the L2 bidder will be refunded through an automated process, to his source bank account.
- v. All refunds will be made mandatorily to the A/C from which the payment of EMD & Tender Fees (if any) were initiated.

2. Eligibility criteria

The Consultancy firms / Companies / Organizations should have prior experience of successful completion of at least two (2) Urban/Town/City planning projects of preparation of Base Map using GIS software & preparation of Land Use Map & Land Register (LUMR) and finally the Land Use Development Control Plan (LUDCP), Draft Development Plan (DDP), City Development Plan (CDP) or any other equivalent Planning document of similar category in the last five (5) years for an area of not less than 400 sq.kms., fulfilling the criteria.

The Consultancy firms / Companies / Organizations also should have prior experience of working in a similar domain and should be familiar with the features and characteristics appertaining to the Siliguri jalpaiguri Development Authority like eco-tourism, tea tourism, international border, adjacency to national parks and sanctuary, foothills, chicken neck area, defense area, transport hub, earthquake prone area etc.

Necessary documentary evidences including work order and completion certificate /credential of planning projects shall be furnished in case of Working experience with Government Departments/Urban Local Bodies/Development Authorities.

- i. Introduction of the Company/ Organization as provided in Company Brochure/ leaflet.
- ii. Financial capability of the Company/ Organization to be given in addition to latest audit report with balance sheet.
- iii. Total work experience with appropriate documents.
- iv. Curriculum Vitae and Profile of Team leader and other Team Members may be accompanied by letter of association by individual and needs to be signed by authorized Official.
- v. Valid upto date Income Tax return acknowledgment of last three years, Professional Tax Clearance Certificate/P.T. (Deposit Challan for the year 2022-2023/Pan Card/GST Registration Certificate to be accompanied with the Technical Bid Documents.
- vi. The prospective bidders or any of their constituent partner shall neither have abandoned any work nor any of their contract have been rescinded during the last 5 (five) years, failing which they would be disqualified.
- vii. The Working Capital i.e. excess of current assets over current liabilities shall not be less than Rs. 50 lakh or Bank Solvency from any scheduled Bank has to be produced for not less than Rs. 50 lakh.
- viii. In case of Proprietorship, Partnership Firms and The Company Tax Audit Report in 3CD Form are to be furnished along with the balance sheet and profit and loss account, and all the schedules forming the part of Balance Sheet and Profit & Loss Account in favour of applicant. No other name along with applicant name, in such enclose will be entertained. (Non-statutory documents).
- ix. Registered Partnership Deed (for Partnership Firm only) along with Power of Attorney to be submitted along with application. (Non-Statutory documents)
- x. Declaration regarding Structure and Organization duly signed by the applicant to be submitted along with application.
- xi. In connection with the work, Arbitration will not be allowed. Documents (Scanned copies of originals) of depositing Earnest Money to be submitted along with Tender Documents.
- xii. Bids shall remain valid for a period not more than 120 (one twenty) days after the dead line date for Financial Bid submission. Bid valid for a shorter period shall be rejected by the 'Evaluation Committee' as non-responsive
- xiii. Incomplete and conditional bids will be summarily rejected.

3. Terms and conditions

- I. The work will be considered as completed on final approval of State Govt.
- II. The evaluation for selection of the Company/ Organization will be done on two-bid evaluation system. At first stage the evaluation of technical proposals of the bidders will be done as per Para 4.1. After evaluation of technical proposals, the financial bids of only the technically qualified bidders shall be opened in the second stage. Final selection will be made on the basis of lowest financial bid quoted by the bidder among the technically qualified bidders.
- III. All the information, Map being highly confidential and valuable, all the work/ reports etc. after completion may be handed over to the competent authority and should not be published anywhere else without prior permission of the Authority or the Department.
- IV. Tender Inviting Authority may call for any document from the bidder at any point of time provided such document was in the possession of the bidder at the time of submission of the Bid.
- V. In case of any discrepancy, inconsistency or contradiction in the EOI, the clarification as provided by the Tender Inviting Authority in that regard would be final and binding.
- VI. The Tender Inviting Authority reserves to right to reject any or all of the Bids, cancel the tender process; abandon the procurement of the services, issue another tender for identical or similar services at any time before the award of the contract. It would have no liability to the affected Bidder or Bidders or any obligation to inform the affected Bidder or Bidders on the grounds for such action(s) and no claim in this respect will be entertained.

4.1 Evaluation of Technical Proposals

In the first stage, the Technical Proposal will be evaluated on the basis of Applicant's experience, its understanding of TOR, proposed methodology and Work Plan, and the experience of Key Personnel. Only those Applicants whose Technical Proposals get a score of 75 (seventy five) marks or more out of 100 (one hundred) shall qualify for further consideration for opening of the Financial Bid.

Table 1: Criteria for Technical Evaluation

Item Code	Parameter	Maximum Marks	Criteria			
1.	Relevant Experience of the Agency	20	No. of LUDCPs/DDPs/CDPs/Master Plans or other equivalent Planning documents prepared in the previous 5 years			
			No.	=2	3 & 4	>4
			Marks	10	15	20
2.	Proposed Methodology and Work Plan	25	Demonstration of one of their best executed works - evaluation will be based on the quality of analyses for the preparation of LUDCP - what lead to the Final proposed Land Use. Proposed Methodology for the formulation of the LUDCP Types of Equipment and software to be used Understanding of the Area and Innovative Solutions if any. Development Control Regulations and identification of Projects and Schemes.			
3.	Relevant Qualifications & Experience of the Key	45	The Team should have Senior Urban Planners, Junior Level Urban Planners, GIS& Remote Sensing Experts with team, PHE/Infrastructure Experts, Environmental Experts, Conservation Expert, Surveyors etc. with desirable qualification and experience as mentioned in Table 4 & 5. For			

	Personnel who will be involved in the preparation of the LUDCP		grading system refer section 4.1.1 (Table 6).
4.	Miscellaneous	10	Marks to be awarded to the Bidder in the following manner: 1. If Office in West Bengal - 5 marks 2. If Previous Planning Projects done in West Bengal in the last 5 years - 5 marks

Table 2: Educational Qualification and Experience required

Senior Urban Planner	Educational Qualification & Experience- Graduate in Planning with 17 years of relevant experience in professional field/academics or Post Graduate in Urban/Town/City/ Regional Planning or equivalent with 15 years of experience in relevant professional field/academics.
Junior Level Urban Planner	Educational Qualification & Experience- Graduate in Planning with 3 years of relevant experience in professional field/ academics or Post Graduate in Urban/Town/City/ Regional Planning or equivalent with 1 year of experience in relevant professional field/academics.
GIS & Remote Sensing Expert	Educational Qualification- Post Graduate Degree/Diploma in Remote Sensing/ GIS or equivalent. Experience- Minimum 5 years' experience in relevant professional field/ academics.
PHE Expert/ Infrastructure Expert	Educational Qualification- Graduate in Civil Engineering & Post Graduate in Public Health Engineering or equivalent. Experience- Minimum 5 years' experience in relevant professional field/ academics.
Environmental Expert	Educational Qualification- Graduate/ Post Graduate Degree in Environment Science or equivalent Experience - Minimum 5 years' experience in relevant professional field/ academics.
Conservation Expert	Educational Qualification- Post Graduate Degree in Conservation or equivalent. Experience- Minimum 5 years' experience in relevant professional field/academics.
Geo Technical Expert	Educational Qualification - Post graduate Degree in Geo-Technical Engineering/ Geological Science or equivalent. Experience- Minimum 5 years' experience in relevant professional field/academics.
Surveyor	Educational Qualification- Diploma in Survey Engineering/ Civil Engineering. Experience- Minimum 5 years' experience in relevant professional field/ academics

Senior Urban Planner	Junior Level Urban Planner	GIS & Remote Sensing Expert	PHE Expert/ Infrastructure Expert	Environmental Expert	Conservation Expert	Geo Technical Expert	Surveyor
1	3	1	1	1	1	1	15

While awarding marks basis the number of eligible projects and the qualification of the Applicant or Key Personnel, the following grading system will be followed:

4.1.1 Grading System in Technical Evaluation

Table 4: Grading System in Technical Evaluation

Sl.No.	Designation	Full Marks	If Basic Minimum Criterion is satisfied both in terms of Qualification, Experience and Manpower then marks to be awarded (A)	Additional Marks to be awarded if Experience is more than minimum requirement (B)		Additional Marks to be awarded if Manpower is more than minimum requirement with equivalent or more Qualification and Experience as basic minimum(C)		Total Marks (A+B+C)
				Experience is >17 years but ≤20 years	Experience is >20 years	More than but upto twice the minimum required Manpower	More than twice the required Manpower	
1	Senior Urban Planner (SUP)	10	5	Experience is >17 years but ≤20 years	Experience is >20 years	More than but upto twice the minimum required Manpower	More than twice the required Manpower	
				1.5	2.5	1.5	2.5	
2	Junior Level Urban Planner	10	5	Experience is >3 years but ≤10 years	Experience is >10 years	More than but upto twice the minimum required Manpower	More than twice the required Manpower	
				1.5	2.5	1.5	2.5	
3	GIS & Remote Sensing Expert	10	5	Experience is >5 years but ≤10 years	Experience is >10 years	More than but upto twice the minimum required Manpower	More than twice the required Manpower	
				1.5	2.5	1.5	2.5	
4	Infrastructure Expert	10	5	Experience is >5 years but ≤10 years	Experience is >10 years	More than but upto twice the minimum required Manpower	More than twice the required Manpower	
				1.5	2.5	1.5	2.5	
5	Environmental	10	5	Experience	Experience is	More than	More than	

Sl.No.	Designation	Full Marks	If Basic Minimum Criterion is satisfied both in terms of Qualification, Experience and Manpower then marks to be awarded (A)	Additional Marks to be awarded if Experience is more than minimum requirement (B)		Additional Marks to be awarded if Manpower is more than minimum requirement with equivalent or more Qualification and Experience as basic minimum(C)		Total Marks (A+B+C)
				e is >5 years but ≤10 years	>10 years	but upto twice the minimum required Manpower	twice the required Manpower	
	Expert			1.5	2.5	1.5	2.5	
6	Conservation Expert	10	5	Experience is >5 years but ≤10 years	Experience is >10 years	More than but upto twice the minimum required Manpower	More than twice the required Manpower	
				1.5	2.5	1.5	2.5	
7	Geo Technical Expert	10	5	Experience is >5 years but ≤10 years	Experience is >10 years	More than but upto twice the minimum required Manpower	More than twice the required Manpower	
				1.5	2.5	1.5	2.5	
8	Surveyor	10	5	Experience is >5 years but ≤10 years	Experience is >10 years	More than but upto twice the minimum required Manpower	More than twice the required Manpower	
				1.5	2.5	1.5	2.5	
Full Marks		Y	Final Marks					X
The Final Marks need to be normalized and brought to a scale out of 45. (X/Yx45)								

4.2 Evaluation of Financial Proposals

In the second stage, the financial bids of only the technically qualified bidders as per evaluation vide Para 4.1 shall be opened. The technically qualified bidder offering the lowest financial bid shall be considered as successful bidder.

The financial bid to be quoted must be inclusive of all taxes.

5. Scope of Work:

Objective of the Work:

The specific objectives of the plan are:

I/471066/2024

- To prepare the present land use map and register (LUMR) u/s 28 of the West Bengal Town & Country (Planning & Development) Act, 1979 (hereafter referred to as the Act) for the entire planning area and helping the Authority with regards to publication of the LUMR as per section 29 of the Act as required for the area other than the area (Sl. No. 4,5,8&9 of schedule I) for which LUMR has already been published.
- To superimpose available old LUMR of the planning area in the new LUMR in separate layer(s) in digital format.
- To prepare a comprehensive, functional, implementable & enforceable "Land Use and Development Control Plan" (LUDCP) for about 1611.20 Sqkm as per section 31 of the Act and to amend LUDCP for about 521.04 Sqkm as per section 40 of the Act and existing rules, regulations framed thereon.
- To prepare the LUDCP in accordance with the prevailing laws for protection of environment, historical places & remains etc. for comprehensive, sustainable and inclusive development of the people and area.
- To facilitate the Authority with regards to publication/modification of LUDCP u/s 35, 36, 37 of the Act.
- To cover all issues and aspects of planning & development at macro and micro level.
- To ensure environmental sustainability by preparing LUDCP avoiding potential adverse implications on existing environmental resources including rich agricultural land with many canals and river, forest areas, water bodies, hill areas etc.
- To Prepare LUDCP supported by strategic economic plan considering several schemes for improvement of socio-economic, health and educational status in the planning area.
- To explore the tourism potential in planned manner ensuring optimum utilization of natural resources.
- To prepare LUDCP as a tool for regulatory development control and subsequent development permission u/s 46 of the Act, with specific rules, regulations, bye laws and procedure for development permission and incorporate all provisions for preparation of projects /schemes within the proposed framework of LUDCP.
- To identify projects, schemes and broad level guidelines for the same in conformity with the LUDCP after consultation with various line Departments/ Stakeholders etc.

6. Activities & Deliverables of the consultant:

In line with the specific objectives as described in above, the consultants are expected to categorise their work roughly into the following four stages-

- **Stage - I : Preparation of Base Map and Land Use Map and Register with superimposition of old LUMR:**
- **Stage - II : Preparation of Inception Report for Land Use & Development Control Plan:**
- **Stage - III : Preparation and amendment of Land Use & Development Control Plan (Draft) :**
- **Stage - IV : Preparation and amendment of the Proposed Land Use & Development Control Plan :**

Stage- I: Preparation of Base Map and Land Use Map and Register with superimposition of old LUMR:

Task 1: Preparation of Digitized Base Map:

The base map should be prepared from Digitized Cadastral maps / sheets overlaid on Satellite Imagery.

a) Collection of scanned images: Collection of (i) scanned images/Hard copies of all mouzas (RS/LR sheets) within the jurisdiction of the Authority. (As per Schedule-I) and (ii) satellite imagery from an open source platform like Bhuvan/Google Earth Pro / any other suitable online available open source platform etc. (may be provided by the Urban Development & Municipal Affairs Department if available).

b) Digitization of the maps: The mouza maps are to be digitized in both autocad format (*.dwg) and Geo-referenced GIS format. The format of the attributes table of the GIS maps will be provided by the Authority.

1. The maps need to be digitized in a scale of 1:1 so that actual distances and areas can be measured from the vector formats of the map.
2. Each Mouza Sheet should have all the plots along with their RS/LR Plot nos clearly mentioned in legible fonts. The abutting mouzas must be mentioned in the maps along with the North Line, Graphic Scale and the Mouza name. All important landmarks, benchmarks etc. must be shown in the map. A legend is also to be provided.
3. In the final output for the GIS file there should not be any sliver polygon, no overshoots or undershoots and null classes. The geographical co-ordinates and projection system of the final map should be on WGS 84 and UTM.

c) Differential Global Positioning System (DGPS) survey is to be conducted for establishing the Ground Control Points for satellite imagery geo-rectification and cadastral / R.S. Mouza sheets geo-rectifications (as per direction of the Authority). Refer AMRUT design Standards for survey details.

d) Overlaying of the Digitized Cadastral Maps: The Digitized Cadastral Maps to be overlaid on the Satellite Image in seamless mosaicking and geo-referencing of the satellite Images and Mouza sheets so that features correspond on the map and satellite image.

e) Incorporation of Land Use Classification: RORs of the Plots of each Mouza within the Jurisdiction of the Authority to be obtained from the Concerned Department and the Land Use Classification as mentioned in the RORs to be incorporated in the Attributes table of the GIS Map. Vested Land as per the ROR to be identified and documented in the attributes table as well. Available old land use of the planning area is to be collected from SJDA and to be incorporated in separate layers.

f) Preparation of existing infrastructure map: Collection of existing physical infrastructure data (Drainage, sewerage, water supply, solid waste, electricity etc.) from concerned authorities and regularising the same in case of any discrepancy. After finalisation of the same, the collected data to be overlaid on the base map.

Task 2: Carrying Out Present Land Use Survey:

The existing Land Use survey for area as described in **Schedule-I & Annexure 'A'** is to be conducted.

I/471066/2024

Field surveys to be conducted with the help of on the prepared digitized base map as per Task 1 for identification of Present Land Use over each part or parcel of land (plot/dag no.) up to 3rd level as per the classification of land uses, Colour & Alphabet Code of URDPFI or AMRUT Guidelines or as directed by the Authority in both Autocad and GIS formats in proper layers.

- The exact classification as per the survey is to be noted. Clubbing of classification to be done with the help of authority.
- Any landmark, feature, place of religious or other importance/significance, benchmark etc. if found need to be appropriately identified on the maps.
- In case of a plot of land having more than one land Use it needs to be clearly demarcated in softcopies of the Autocad file.
- If any deviation is found in the exiting land use from the satellite Image, then appropriate geo-tagged photos needs to be taken of the exiting building/construction/development.
- Vested Land as per the ROR is to be verified.

The plot wise Land Use data collected from field survey is to be transferred to the digitized base map (both autocad and GIS format) so that mouza wise land use maps and registers can be prepared. While transferring the updated land use on the base map in layers, it should be classified as per Land Use classification and colour code recommended in URDPFI Guidelines & AMRUT Design standards for formulation of GIS based Master plan or as may be suggested by Development Authority from time to time.

Administrative boundaries of Police Stations, Blocks, Gram Panchayets, Municipalities/Municipal Corporations with Ward Boundaries as well as other important social infrastructure are to be incorporated in the map. All physical features like roads (NH, SH, other major roads, border roads), culverts, bridges, railway lines, water bodies, rivers forest etc. should be shown with measurements like length and area. Data on property line of major organization like Railway, National Highway, State Highway/ Public Works Department, Tea Garden Associations, and relevant data from Forest Deptt., Tourism Deptt, Environment Department, Transport Deptt., Irrigation & Waterways Department, Public Health Engineering Department, North Bengal Development Department, Gorkhaland Teritorial Administration, Defence and Para military establishments, International Border fencing, West Bengal Tourism Development Corporation, National Disaster Management Authority, District authority, local BL&LRO office etc. (whichever is applicable) to be collected and incorporated. Contour lines if any may be mentioned along with other physical features for incorporating in the map.

Task 3: Preparation of Draft Land Use Map and Register:

After preparation of comprehensive land use map for entire planning area showing all administrative boundary details, mouza wise (sheet wise) land use map as per Task 2 is to be generated and the plot wise land use register of the same is required to be prepared in a format as instructed by the Authority in both Hard and Soft Copies. The submitted hardcopies need to be legible with proper demarcation of land use and colour coding.

Task 4: Survey Preparation:

I/471066/2024

Socio Economic Survey:

Socio-economic survey to be conducted at identified locations within the above-mentioned Development Authority area as per Schedule-I. Owners and tenants of targeted properties as well as occupants of non-regularized housing/shops/kiosks and squatters need to be interviewed. An appropriate number not less than 5% of household samples based on the survey plan presented and approved by the Department/ Development Authority need to be collected with the help of pre-code questionnaire and sampling method as approved by the DA.

In Addition to Household Survey, Stakeholders Opinion (Ward Councillors, Pradhans of GPs, Officials from different Departments including Forest Deptt., Tourism Deptt, Environment Department, Transport Deptt., Irrigation & Waterways Department, Public Health Engineering Department, North Bengal Development Department, Gorkhaland Teritorial Administration, Tea Garden Associations, Defence and Para military establishments, International Border fencing, West Bengal Tourism Development Corporation, National Disaster Management Authority, district authority, local BL&LRO office etc. as applicable) and Expert Opinion Survey need to be acquired.

Traffic & Transportation Survey:

Traffic Surveys and transportation studies are very important activities to be carried out for development of an area. Appreciation of existing traffic and travel characteristics which takes into account passenger and goods movement pattern, pedestrian and parking characteristics and the available infrastructure facilities within the study area, is required to be done along with secondary data collection from respective RTOs and other concerned authorities. Primary survey would include preparation of Inventory of Road Network System, Traffic Volume Count Survey of Main Arterial, Sub arterial Roads and important nodes, Cordon Point Survey, origin-destination survey (Part of Household Survey), Speed-Delay Survey, pedestrian survey, Parking Demand Characteristics, modes of transport, public & para-transit operator and user surveys etc.

On successful completion of the aforementioned process, the agency should compile the collected data in a excel spread sheet (.xls) format.

Task - 5: Public Notification of the existing land use map and register u/s 29(2) of the Act, for area described as **Schedule-I** and **Annexure A** as required.

Collection of objections, data entry & documentation of public objections received, compilation and verification of the objections and case-wise preparation of reports with justification for disposal or acceptance of objections with the help of the Development Authority. (in the form of a report in soft copy).

Task - 6: Preparation of the final land use map and register for the area described as **Schedule-I** and **Annexure-A** with Report after incorporating the necessary modifications as per Section 29(3) of the Act.

1/471066/2024

- The modifications are required to be reflected in the Maps and all the corrections need to be incorporated in the Maps as well as in the Registers.
- Both the vector and the raster formats of the Maps need to be revised by incorporating the modifications in Autocad as well as in Geo-referenced GIS formats. The Land Use Register Microsoft Excel format is required to be finalised accordingly.

Stage – II : Preparation of Inception Report for Land Use Plan and Development Control Plan:

Task – 1 : Collection of data :

To collect primary and secondary data pertaining to the demographic, socio-economic profile, economic activities and trend in local economy and availability of resource and utilization, commercial and industrial establishment, housing trend and demand, public & semi-public facilities and services available, traffic and transportation network scenario and public facilities, Utilities and services available, data on special areas and problematic areas (if any), Development management mechanism. The present scenario analysis may consist of the following points -

- o Existing inter and intra city/town transportation network including railways, roads, airports, canals and an overview of the Regional Linkage Scenario.
- o Suggestions on enhancement/ augmentation of the transportation network, traffic management system at important nodes.
- o Economy – the major leading and lagging sectors. Innovative ways of attracting investment in the area
- o Present contour plan with drainage layout and outfall, flood zones etc.
- o Existing amenities, services and utilities, systems of water-supply including improvement of lake, rivers, fountains and the like, generation and distribution of electric power and distribution of gas
- o Present solid waste dumping areas.
- o Identification of areas or zones for catchment, soil conservation, plantation, unsafe for any construction, prone to natural disaster, etc.
- o River Front Regulation Zone if applicable.
- o Conservation and Heritage if applicable.
- o Identifying Tourism Potential and Tourism Circuits.
- o Disaster Preparedness and Resilience
- o Assessment of the present land use broadly indicating residential, commercial, industrial, transportation, forest, agriculture, water body etc.

Task 2 : Analysis of data, Projection and Estimation of data :

Analysis, projection, estimation of demand-supply gap for physical & social infrastructure, findings and inference on the analysis of the data for a Plan period of 10 years with 5 years phases and submission of 'Inception Report'. The following ideas may be kept in mind while doing the Analyses:

- To find out the requirement of land in each sector and the growth direction.
- Understand the existing Accessibility pattern and its interaction with the existing Land Use. Interaction of the adjacent land Uses in terms of Compatibility and Conflict.
- Assessing the Housing Stock and future Demand.
- Identify and assess the future growth potential and its effect in Infrastructure.
- The scale and nature of Infrastructure Augmentation.
- Innovative ways for Resource Mobilisation and Revenue Generation for the Authority.

1/471066/2024

Assessing and Identifying Key problems and Inadequacies in Infrastructure (both Social and Physical) and providing Prescriptive Solutions for the same.

Task 3: Identification of Vision & Preparation of conceptual broad land use zoning:

Identify the vision of development in this region through stake holder consultation. Preparation of conceptual broad land use zoning and infrastructure network plan with due environment and resource consideration. This will do for a plan period of 10 years. It should be in continuity and in conformity with the following:

- Master plan or DDP of the adjacent Municipal and/or Planning area and rural area
- All other projects/proposals sanctioned or in pipeline for final approval
- Any Act, URDPFI Guidelines for planning standards, regulations and zoning
- AMRUT Design standards for formulation of GIS based Master plan etc.
- Existing LUDCP and zoning and subdivisional regulation for SJDA area.

In this process all items of works as contained in sec. 31 and sec 40 of the Act will have to be featured.

Stage – III : Preparation and amendment of detailed Land Use & Development Control Plan (Draft) :

Task - I: Preparation of Zonal level detailed land use plan/map with register outlining development control regulations and development control mechanism based on the conceptual broad land use zoning arrived in previous stage.

The draft LUDCP for public notice u/s 36 of the WBT & C (P & D) Act, 1979 for inviting objection, if any, from the public and all concerned with the requisite maps with plot wise proposed land uses (Permitted, Permissible and Prohibited) & Development Control Regulations need to be submitted along with a presentation.

Stage – IV: Preparation and amendment of the Proposed Land Use & Development Control Plan :

Task - I: Public Notification of the proposed/final land use and development control plan and register of proposed land use and collection of objections, compilation and verification of the objections and case-wise preparation of reports with justification for disposal of objections.

Task - II: Preparation of the Proposed Land Use and Development Control Plan and Register of proposed land use with Report after incorporating the outcome of hearing of objection and necessary modification.

Task - III: Giving presentation as required and final submission of all documents/reports etc. subject to approval of the State Government as per the Act. Incorporation of necessary suggestion and modification as suggested by State Government and preparation of final Gazette Notification.

Task - IV: Handover of all Hard Copy and soft copy of all Reports, Maps and presentation to the Authority.

The intellectual property rights of all the data and the final reports for the preparation of the LUDCP would always and solely lie with the Authority.

7. CRITICAL DATE AND TIME SCHEDULE (ONLINE): -**Table 5: Critical Date and Time Schedule (Online)**

Sl. No	Particulars	Date & Time
1	Date of Tender publishing	11.01.2024-04:00 P.M.
2	Date & time of document download start	11.01.2024-04:00 P.M.
3	Seek clarification start date & time	11.01.2024-04:00 P.M.
4	Seek clarification end date & time	16.01.2024-04:00 P.M.
5	Pre Bid meeting date, time & venue	18.01.2024-04:00 P.M.
6	Bid submission start date & time	11.01.2024-04:00 P.M.
7	Bid submission closing date & time	01.02.2024-04:00 P.M.
8	Technical Bid opening date, time & venue	05.02.2024-11:00 A.M.
9	Financial Bid Opening Date, Time & Venue	Declared after Technical Evaluation
10	Details of contact person	Smt. Rinki Saha, Junior Assistant Planner, SJDA mobile no. 7001566100 Sri Aniruddha Pramanik, Junior Assistant Planner, SJDA mobile no. 8617429649 (during office hours)

8. DELIVERABLES & TIME FRAME:

The assignment should be completed as per the timeline given in the following table..

Table 6: Deliverables & Time Frame

Sl. No.	Activities	Deliverables	Nos of Copies		Expected Date of Submission / Completion
			Hard Copy	Soft Copy	
1.	Stage- I : Preparation of Base Map and existing Land Use Map and Register with superimposition of old LUMR:	Inception Report <ol style="list-style-type: none"> 1. Survey Plan 2. Methodology & Framework, Work Plan 3. Manpower Details 4. Study Area Details 5. Stakeholder Identification, etc. 	3	1	2 weeks from the date of commencement of Work ie. from the date of signing the contract.

Sl. No.	Activities	Deliverables	Nos of Copies		Expected Date of Submission /
		1) Existing Land Use Maps for Publication u/s 29(1) of the Act and for amendment for LUDCP u/s 40 of the Act. The maps should be printed Mouza wise and hard bound GP wise for Publication. Corresponding Lands Use registers also needs to be submitted mouza wise, and hard bound GP wise.	5*	3	36 weeks from the date of commencement of Work
		2) Existing Land Use Maps for adoption after incorporation of modifications u/s 29(3) of the Act. The maps should be printed Mouza wise and hard bound GP wise for Publication. Corresponding Lands Use registers also needs to be submitted Mouza wise, and hard bound GP wise.	2	3	
		3) Socio Economic Survey - filled up formats in bundles of 50. Collated data in MS Excel format. Report in hardbound Copy	3	3	
2.	Stage - II : Preparation of Inception Report for Land Use Plan and Development Control Plan:	A presentation to be given along with the submission of the report (Hardbound Copy)	3	5	8 Weeks from completion of Stage -I. At the end of 8 th Week presentation required
3.	Stage - III : Preparation and amendment of Detailed Land Use & Development Control Plan (Draft) :	Presentation of the Draft Proposed Land Use and Development Control Plan. Submission of Draft Proposed Land Use and Development Control Plan after incorporation of any suggestion of the Authority (Hardbound book 5 copies) with reports and Maps in appropriate scale bound GP wise for public display to invite claims and objections etc.	5*	5	20 Weeks from completion of Stage -II. At the end of 20 th Week presentation required
4.	Stage - IV : Preparation and amendment of the Proposed Land Use & Development Control Plan :	Compilation of the objections received.	3	3	DA will publish Gazette Notification after getting approval from UD&MA Department for wide publicity of LUDCP.
		Presentation Copy & Hard copy of the final report of LUDCP and Maps in appropriate scale after incorporation of the claims and Objections.	3	5	Presentation required at the end of 12 th Week after completion of the period for public validation and recommendation received from the committee.

Sl. No.	Activities	Deliverables	Nos of Copies		Expected Date of Submission /
		Submission of final Proposed Land Use and Development Control Plan (hardcover, copies) with reports and maps after incorporation of suggestions of the State Government	5**	5	2 Weeks after incorporation of all the changes suggested in presentation.
<p>Soft Copy includes editable format of the Soft copy e.g. reports in both .pdf and .docx format, data in .xls presentations in .pptx format and maps in .pdf and/or Jpeg (at a resolution as instructed by the authority) and in autocad and GIS format (.dwg and geo database). The requisite soft copies are to be written on a compact Disc and submitted to the authority.</p> <p>*Report and two set of drawings (mouza sheet level showing plot level details, at 1:4000 scale& for dense urban area showing plot level details, at 1:1000) and register will be submitted at Stage I & IV. Soft copy of the report and maps will also be submitted.</p> <p>**Five copies of the final report, and three set of drawings (mouza sheet level showing plot level details, at 1:4000 scale) and 2 copies register will be submitted at Stage IV. Soft copy of the report and maps will also be submitted.</p> <p>All the drawings, maps are to be submitted in dwg file format along with GIS format. All data base should be in dbf file format and reports in doc as well as pdf file (editable format).</p>					

Consultant shall have to present the work in power point presentation at each stage of work before the DA and concerned stake holders for necessary suggestions & feed backs if any for incorporation in the proposals.

9. Payment Schedule

Payment shall be made according to the following Schedule, which is based on the submission of deliverables.

Table 7: Payment Schedule:

Sl. No.	On successful completion of the following stages of work/ Deliverables	Payment Schedule
1	Initiation of the Project	
2	Stage- I : Preparation of Base Map and existing Land Use Map and Register with superimposition of old LUMR	15% of the Consultancy Fees
3	Stage - II : Preparation of Inception Report for Land Use Plan and Development Control Plan:	20% of the Consultancy Fees
4	Stage - III : Preparation and amendmentof Detailed Land Use & Development Control Plan (Draft) :	25% of the Consultancy Fees
5	Stage - IV : Preparation and amendmentof the Proposed Land Use & Development Control Plan :	40 % of the Consultancy Fees

- Successful bidder would be issued Letter of Intent (LOI). Within one week of acceptance of the LOI by the successful bidder, work order will be issued by the Authority.

I/471066/2024

- The Agency shall enter into a Contract with the Authority within 7 days of receiving the Work Order.
- PBG shall be submitted after issue of Work Order but before signing of agreement/contract.
- The time frame will start from the day of signing of the contract.
- After receipt of the Work Order, the successful Tenderer shall submit the work programme, Bar chart of execution of the work and shall also maintain Work Order Copy, Drawings, schedule of work.
- A monthly report through email (sjdawb@gmail.com) has to be submitted before the undersigned.
- It has been observed that the successful bidders deploy unqualified personnel during execution of work. Therefore, the successful bidder shall ensure that qualified personnel are deployed to carry out quality works. If substandard works during the execution of work is detected, then the authority shall have right to direct the agency to re-do the work once again, penalize the agency etc.
- The Agency will give a written declaration about the details of the team which will work for the LUDCP. If any member has to leave the team he needs to be substituted by someone of equivalent knowledge and experience.
- No escalation of cost is permissible at any time after the issuance of work order. Agency shall be barred from approaching the authority to claim escalation cost for reasons whatsoever.
- The agency should possess the requisite and relevant equipment and machineries for the work. If equipment and machineries are not deployed as per the undertaking given by the agency, the Officer-in charge is authorized to stop the work and direct the agency to deploy them immediately. If the agency fails to carry out the direction, then the authority may take appropriate action including forfeiture of Security Deposit and cancellation of the work order.
- A penalty of Rs 50,000 per month or part thereof will be charged for each month delay from the stipulated period of maximum 6 months for each month delay of preparation of draft LUDCP.
- Variation in planning area if any, subsequently detected, or revised as per decision of SJDA, pro-rata amount total fee will be paid to the agency and shall be adjusted during stage - iv of the payment schedule as noted in Table 8 above.
- Termination of Contract/ Work Order: The authority may terminate the contract/work order due to the following reasons:
 1. PoorProgress of work.
 2. Poor Quality of work.
 3. Adoption of any unfair means during execution of work.
 4. Violation/Non-compliance of any instructions of the authority.

For termination of the contract/work, the authority will issue a 7 days' notice to the agency/contract to make up the discrepancy/shortfall of the work as instructed by the authority, failing which the contract/work order will be terminated with forfeiture of E.M.D., S.D. etc.
- In respect of all matters and disputes arising in connection with or in relation to this agreement as far as possible be mutually and amicably settled between the parties. Otherwise, all the disputes arising from the provisions of the said agreement come under the jurisdiction of Calcutta High Court or any other competent Court within the jurisdiction of Kolkata, as the case may be.

 Chief Executive Officer,
 Siliguri Jalpaiguri Development Authority
