(b) NleT

(c) All Corrigendum & Addendum.

18. Supplementary/Additional Items of Works:

Notwithstanding the provisions made in the related printed tender form, any item of work which can legitimately be considered as not stipulated in the specific price schedule of probable items of work but has become necessary as a reasonable contingent item during actual execution of work will have to be done by the Contractor, if so directed by the Engineer-in-Charge and the rates will be fixed in the manner as stated below:-

(a) Rate of Supplementary items shall be analyzed in the 1st instant extended possible from the rates of the allied items of work appearing in the tender schedule.

(b) Rate of supplementary items shall be analysed to the maximum extent possible from rates of the allied items of work appearing in the schedule of rates of probable items of work as will be in force at the time of NleT.

(c) If the rates of the supplementary items cannot be computed even after application of clauses stated above, the same shall be determined by analysis from market rates of material, Labour and carriage cost prevailing at the time of execution of such items of work. Profit and overhead charges (both together) @ 10% (ten percent) will be allowed only. The contractual percentage will not be applicable.

(d) Black market rates shall never be allowed.

(e) It may be noted that the cases of supplementary items of claim shall not be entertained unless supported by entries in the Work Order Book or any written order from the tender accepting authority.

19. Periodical quality test of materials supplied by the agency and final products are to be made as per guideline of schedule of PWD / I.S. at Contractor's cost. Testing of materials / final products will be done from the outside recognized laboratory at the discretion of Engineer-in-Charge. In both the cases necessary cost of testing charges will be borne by the agency.
