If the specified pages of the Tender Document are not signed by the tenderer.
If the tender is not submitted in a Cover properly sealed and the name of the work is not indicated on the cover.
25. For the return of the Earnest Money of the unsuccessful quotationers, he/they is/are to apply for the same to The Executive Engineer, Bidhannagar Municipal Services Division giving the reference to the work, N.I.Q. No., date of quotation, amount and mode of Earnest Money deposited – all in a complete form. The Earnest Money of all quotationers other than the lowest quotationers in each case, may be refunded, after acceptance of the rate in the comparative statement, as early as possible.
26. To verify the competency, capacity and financial stability of the intending quotationer(s), the Tender Paper Issuing Authority may demand production of any necessary document(s) as it may deem necessary.
27. The payment of R/A as well as Final Bill for any work will be made according to the availability of fund and no claim due to delay in payment will be entertained.
28. Normally, quotation Papers for not more than one work in any one NIQ will be issued to an applicant, who may Indicate the Sl. Nos. of the work in the order of priority. However, depending on response to various serials in the NIQ, Quotation Paper Issuing Authority may issue Quotation Paper for any serial even though it may not be preferred by the applicant.
29. As per Finance Departments, Audit Branch Memo No. 8182-F(Y), Dated 26.09.12 clause -25 of 'arbitration' will be treated as deleted for these works.
30. Recent modification of Clause -17 of contract as per P.W.D., CRC Branch Order No. 177-CRC/2M-57/2008, Dated 12/07/12 may be applicable for these work and will be as per decision of Engineer-in-Charge.
31. If in any reason any date as mentioned herewith and related with this quotation falls or declares as holiday then the next day will be treated as the working day for this purpose. For Detail NIQ, Corrigendum and Addendum, if any, Office Notice Board and Departmental Website of Urban Development Department (and may also by login through www.wburbanservices.gov.in)
32. Govt. of West Bengal may be followed.
33. Modifications of Clause No-17 and Clause No-25 of West Bengal Form No.2911/2911(i)/2911(ii) will be the

34. For Corrigendum, if any, Office Notice Board may please be followed which will be the part of the agreement of the contract.
35. Item rates should be quoted both in figures and words inclusive of all applicable taxes.

Additional terms and conditions:-

- 1) The Executive Engineer of the Division concerned will be the Engineer-in-Charge in respect of the contract and all correspondences concerning rates, claims, change in specification and/or design and similar important matters will be valid only if made by the Engineer-in-Charge. If any correspondence of above tender is made with Officers other than the Engineer-in-charge for speedy execution of works, the same will not be valid unless copies are sent to the Engineer-in-Charge and approved by him. The instruction given by the Sub-Divisional Officer and the Sub-Assistant Engineer on behalf of the Engineer-in-Charge shall also be valid (who have been authorized to carry out the work on behalf of the Engineer-in-Charge) regarding specification, supervision, approval of materials and workmanship. In case of dispute, the decision of Engineer-in-Charge shall be final and binding.
- 2) The Government shall not be held liable for any compensation due to machines becoming idle for any circumstances including untimely rains, other natural calamities, strike, etc. No compensation for idle labour, establishment charge or on other reasons such as variation of price index etc. will be entertained.
- 3) The Bidder shall have to comply with the provisions of (a) Contract labour (Regulation & Abolition) Rules, 1970, and (b) Minimum Wages Act, 1948 or the modification thereof or any other laws relating thereto as will be in force from time to time.
- 4) No mobilization / secured advance will be allowed unless specified otherwise.
- 5) All working tools and plants, scaffolding, construction of vats and platforms will have to be arranged by the contractor at his own cost. The contractor shall also supply mazdoors, bamboos, ropes, pegs, flags etc. for laying out the work and for taking and checking measurements for which no extra payment will be made.
- 6) A machine page numbered Site Order Book (with triplicate copy) will have to be maintained at site by the contractor and the same has got to be issued from the Engineer-in-charge before commencement of the work. Instructions given by inspecting officers will be recorded in this book and the contractor must note down the action taken by him in this connection as quickly as possible.
- 7) The work will have to be completed within the time mentioned in the tender notice. A suitable work programme is to be submitted by the contractor within 7 (Seven) days from the date of receipt of Work Order which should satisfy the time limit of completion. The contractor should inform in writing the name of his authorized representative at site within 7(Seven) days from the date of receipt of Work Order who will receive instruction of the work, sign measurement book, bills and other Government papers, etc. However the contractor will have to accept the work programme and priority of work fixed by The Engineer- in-charge.
- 8) All possible precautions should be taken for the safety of the people and work force deployed at worksite as per safety rule in force. Contractor will remain responsible for his labour in respect of his liabilities under the Workmen's Compensation Act etc. He must deal with such cases as promptly as possible.
- 9) The contractor will have to maintain qualified technical employees and/or Apprentices at site as per prevailing Apprentice Act or other Departmental Rules & Orders circulated from time to time.
- 10) The quantities of different items of work mentioned in the tender schedule or in Work Order are only tentative. In actual work, these may vary considerably. Payment will be made on the basis of works actually done in different items and no claim will be entertained for reduction of quantities in some items or for omission of some items. For execution of quantitative excess in any item beyond 10% or supplementary works, approval of the Superintending Engineer / Chief Engineer would be required depending on whoever be the Tender Accepting Authority, before making payment.
- 11) All materials required to complete execution of the work shall be supplied by the contractor after procurement from authorized and approved source and the material brought to the site must be approved by the Engineer-In-Charge. Rejected materials must be removed by the Contractor from the site within 24 hours of the issue of order to that effect.
- 12) For cogent reasons over which the contractor will have no control and which will retard the progress

extension of time for the period lost will be granted on receipt or application from the contractor before the expiry date of contract. No claim whatsoever for idle labour, additional establishment, cost of materials and labour and hire charges of tools & plants etc. would be entertained under any circumstances.

- 13) When one item of work is to be covered up by another item of work the latter item shall not be done before the former item has been measured up and has been inspected by the Engineer-in-Charge or the Sub-Divisional officer/ Assistant Engineer, as the authorized representatives of the Engineer-in-Charge and order given by him for proceeding with the latter item of work. When however, this is not possible for practical reasons, the Junior Engineer, if so authorized by the Sub-Divisional Officer / Assistant Engineer may do this inspection in respect of minor works and issue order regarding the latter item.
- 14) In case of fore closure or abandonment of the works by the Department, the contractor will be eligible to be paid for the finished work and reimbursement of expenses actually incurred but not for any losses.
- 15) The contractor shall have to arrange on his own cost, the required energy for operation of equipments and machineries, for operating of pumping set, illuminating work site, office etc. that may be necessary in different stages of execution of work. No facility of any sort will be provided for utilization of the departmental sources of energy existing at site of work.
- 16) The contractor will arrange land for installation of his Plants and Machineries, his go-down, store yard, labour camp etc. at his own cost for the execution of the work. Departmental land, if available and if applied for, may be spared for the purpose on usual charges as fixed by the Engineer-in-charge. Before using any space in Government land for any purpose whatsoever, approval of the Engineer-in-charge will be required.
- 17) Departmental materials such as cement, steel, etc. will not be issued to the agency. The agency should submit the authenticated challan of the materials with the Invoices from the Distributors/Dealers approved by the Principal manufacturers and Test certificates from the organization as approved by the Engineer-in-Charge.
- 18) The Contractor shall also abide by the provision of the child labour (Probation & Regulation Act, 1986). No labour below the specified age (As per G.O.) shall be employed on the work.
- 19) Constructional Labour welfare Cess @1 % (One percent) of cost of construction will be deducted from every bill of the selected agency.
- 20) In connection with the work, Arbitration will not be allowed. The clause no-25 of 2911(ii) is to be considered as "Deleted clause vide Gazetted Notification No-558/SPW dated 13th Dec., 2011 of the Secretary, PWD Department.
- 21) No compensation for idle labour, establishment charge on or other reasons such as variation of price indices etc. will be entertained.
- 22) Facilities for the Electric connection will be made by this Department against an application to the concerned Executive Engineer but the contractors have to bear all the expenses. Whenever a work is carried out in municipal area, electric lights or electric danger signals whenever available shall be provided by the contractors on the barriers as well as paraffin lights
- 23) Copies of IT, PT Clearance certificates, GST Registration (15-Digit ID), issued by the Competent Authority and Rules framed there under etc. should be furnished along with the applications.
