Challan, D.C.R/Demand Draft, etc. which are deposited short and/or not deposited in favour of the Executive Engineer, Bidhannagar Municipal Services Division.
 - c. If the Tender Form is not properly filled in respect of the general description of the work, Estimated Cost, Rate of deduction of Security Deposit, etc. in page-2 and other pages of Tender Form as are required to be filled in.
 - d. If the specified pages of the Tender Document are not signed by the tenderer.
 - e. If the tender is not submitted in a Cover properly sealed and the name of the work is not indicated on the cover.
27. For the return of the Earnest Money of the unsuccessful quotationers, he/they is/are to apply for the same to the Executive Engineer, Bidhannagar Municipal Services Division giving the reference to the work, N.I.Q. No., date of dropping of the bid, amount and mode of Earnest Money deposited – all in a complete form. The Earnest Money of all quotationers other than the lowest quotationers in each case, may be refunded, after acceptance of the rate in the comparative statement, as early as possible.
28. To verify the competency, capacity and financial stability of the intending quotationer(s), the quotation Paper Issuing Authority may demand production of any necessary document(s) as it may deem necessary.
29. The payment of R/A as well as Final Bill for any work will be made according to the availability of fund and no claim due to delay in payment will be entertained.
30. Normally, quotation Papers for not more than one work in any one NIQ will be issued to an applicant, who may indicate the Sl. Nos. of the work in the order of priority. However, depending on response to various serials in the NIQ, quotation Paper Issuing Authority may issue quotation Papers for any serial even though it may not be preferred by the applicant.
31. As per Finance Departments, Audit Branch Memo No. 8182-F(Y), dated 26.09.12 clause -25 of 'arbitration' will be treated as deleted for these works.
32. Recent modification of Clause -17 of contract as per P.W.D., CRC Branch Order No. 177-CRC/2M-57/2008, dated 12.07.12 may be applicable for these work and will be as per decision of Engineer-in-Charge.
33. If in any reason any date as mentioned herewith and related with this quotation falls or declares as holiday then the next day will be treated as the working day for this purpose.
34. For Detail NIQ, Corrigendum and Addendum, if any, Office Notice Board and Departmental Website of Urban Development Department (www.wburbandev.gov.in) Govt. of West Bengal may be followed.
35. Modifications of Clause No-17 and Clause No-25 of West Bengal Form No.2911/2911(i)/2911(ii) will be the part of agreement of the contract. (As per concurrence of Group-T of Finance (Audit) Department vide their U.O.No.614 Dated 06.07.2012.
36. For Corrigendum, if any, Office Notice Board may please be followed which will be the part of the agreement of the contract.
37. Item rates should be quoted both in figures and words inclusive of all applicable taxes.

Completion Certificate for similar works shall include appurtenant working schedule duly signed by the certifying authority.

39. **MODIFICATIONS OF CLAUSE NO-17 AND CLAUSE NO-25 OF WEST BENGAL FORM NO-2911/2911(i)/2911(ii) :-**
(This bears concurrence of Group-T of Finance (Audit) Department vide their U.O. No-614; Dated 06.07.2012)

i) **Clause-17 of Conditions of Contract of the Printed Tender Form shall be substituted by the following:**

"Clause 17- If the Contractor or his own workmen or servants or authorised representatives shall break, deface, injure or destroy any part of the building, in which they may be working, or any building road, road kerbs, fence, enclosure, water pipes, cables, drains, electric or telephone posts or wires, trees, grass or grass land or cultivated ground contiguous to the premises, on which the work or any part of it is being executed, or if any damage shall happen to the work from any cause whatsoever or any imperfections become apparent in it at any time whether during its execution or within a period of three(3) years after issuance of a certificate of its completion by the Engineer-in Charge, the contractor shall make the same good at his own expense, or in default, the Engineer-in-Charge may cause the same to be made good by other workmen and deduct the expense (of which the certificate of the Engineer-in-Charge shall be final) from any sums, whether under the contract or otherwise, that may be then, or at any time therefore become due to contractor by the Government or from his security deposit, or the proceeds of sale thereof, or of a sufficient portion thereof and if the cost, in the opinion of the Engineer-in-charge (Which opinion shall be final and exclusive against the contractor), of making such damage or imperfections good shall exceed the amount of such security deposit and or such sums, it shall be lawful for the Government to recover the excess cost from the Contractor in accordance of the procedure prescribed by any law for the time being in force. **The Security deposit of the Contractor shall not be refunded before the expiry of Three (3) years after the issuance of the certificates, final or otherwise, of completion of work by the Engineer-in-charge.**

Provided that the work shall not be deemed to have been completed unless the 'Final Bill' in respect thereof shall have been passed and certified for payment by the Engineer-in-charge.

Provided further that the Engineer-in-charge shall pass the 'Final Bill' and certify thereon, within a period of Forty Five (45) days. The certificate of Engineer-in-charge whether in respect of amount payable to the contractor against the final bill or in respect of completion of work shall be final and conclusive against the contractor. However, the security Deposit of the contractor held with the Government under the provision of Clause-1 thereof shall be refundable to the contractor in the manner provided hereunder:

a) 30% of the Security deposit shall be refundable to the contractor on expiry of one year after the issuance of certificate of completion of work.

b) Further 30% of the Security deposit shall be refundable to the contractor on expiry of Two years.

c) The balance 40% of the Security Deposit shall be refundable to the Contractor on expiry of Three (3) years.

Provided that in respect of repair or maintenance in nature or a combination thereof, the words 'three years' wherever appearing in this clause shall be deemed to be 'One Year' and in which case the security deposit of the Contractor held with the Government under the provision of Clause-1 hereof shall be refundable to the Contractor on expiry of 'One Year' after issuance of certificate of completion of work by the Engineer-in-Charge.

ii) **"Modification of Clause Relating to Settlement of Disputes under Condition of Contracts" :**

Clause 25 for work value more than 100 Lacks of W.B.F. No.-2911/2911(i)/2911(ii) will be read as "Clause-25 –Except where otherwise provided in the Contract all questions and disputes relating to the meaning of specifications, designs, drawings and instructions therein before mentioned and as to quality of workmanship or materials used on the work or these conditions or otherwise concerning to the work, or after the completion or abandonment thereof shall be dealt with as mentioned hereinafter:

If the Contractor considers any work demanded of him to be outside the requirement of the contract, or disputes in any drawings, record or decision given in writing by the Engineer-in-Charge or any matter in connection with or arising out of the contract or carrying out of the work, to be unacceptable, he shall promptly requested within 15(Fifteen) days to the Chairman of the "Disput Redressal Committee" shall give its written instruction or decision. Thereupon, the "Dispute Redressal Committee" shall give it written instructions or decisions within a period of Three(03) months from the date of receipt of the Contractor's letter.

'Dispute Redressal Committee' in each of the works' Department should be having the following officials as members :-

1.	Additional Chief Secretary/ Principal Secretary/Secretary of the Concerned Department	Chairman
2.	Engineer-in-Chief/ Chief Engineer or any officer equivalent rank in the Department	Member
3.	One Designated Chief Engineer/ Engineer of the Department to be nominate by the Department concerned	Member Secretary and Convenor
4.	One Representative of the Finance Department of the Government not below the Rank of Joint Secretary or Finance Advisor in case of the Works' Department where FA System has been introduced	Member

The Provision will be applicable irrespective of the value of the works to which the dispute may relate.

After 'Clause-24', in present printed W.B. Form No-2911, 2911(i), 2911(ii) of this office/Division, in page no-9, Clause-25 as mentioned here will be included and from 'Clause-25' to 'Clause-29' of Page 09 and 10 of this Form will have to read as 'Clause-26 to Clause-30', as per following table. As per Above, 'Clause-17' to be read as in modified form, and applicable for the work.

Sl No	As mentioned in Presently supplied W.B Form No-2911, 2911(i), 2911(ii)	Actually to be Read as
1	From Clause 1 to 24	Clause 17 only modified.

2	Within Clause-24 and Clause-25 of Existing /Supplied Form	Clause-25 will be inserted/Included
3	Clause-25	Clause-26
4	Clause-26	Clause-27
5	Clause-27	Clause-28
6	Clause-28	Clause-29
7	Clause-29	Clause-30

❖ **Additional terms and conditions:-**

- 1) The Executive Engineer of the Division concerned will be the Engineer-in-Charge in respect of the contract and all correspondences concerning rates, claims, change in specification and/or design and similar important matters will be valid only if made by the Engineer-in-Charge. If any correspondence of above tender is made with Officers other than the Engineer-in-charge for speedy execution of works, the same will not be valid unless copies are sent to the Engineer-in-Charge and approved by him. The instruction given by the Sub-Divisional Officer and the Sub-Assistant Engineer on behalf of the Engineer-in-Charge shall also be valid (who have been authorized to carry out the work on behalf of the Engineer-in-Charge) regarding specification, supervision, approval of materials and workmanship. In case of dispute, the decision of Engineer-in-Charge shall be final and binding.
- 2) The Government shall not be held liable for any compensation due to machines becoming idle for any circumstances including untimely rains, other natural calamities, strike, etc. No compensation for idle labour, establishment charge or on other reasons such as variation of price index etc. will be entertained.
- 3) The Bidder shall have to comply with the provisions of (a) Contract labour (Regulation & Abolition) Rules, 1970, and (b) Minimum Wages Act, 1948 or the modification thereof or any other laws relating thereto as will be in force from time to time.
- 4) No mobilization / secured advance will be allowed unless specified otherwise
- 5) All working tools and plants, scaffolding, construction of vats and platforms will have to be arranged by the contractor at his own cost. The contractor shall also supply mazdoors, bamboos, ropes, pegs, flags etc. for laying out the work and for taking and checking measurements for which no extra payment will be made.
- 6) A machine page numbered Site Order Book (with triplicate copy) will have to be maintained at site by the contractor and the same has got to be issued from the Engineer-in-charge before commencement of the work. Instructions given by inspecting officers will be recorded in this book and the contractor must note down the action taken by him in this connection as quickly as possible.
- 7) The work will have to be completed within the time mentioned in the tender notice. A suitable work programme is to be submitted by the contractor within 7 (Seven) days from the date of receipt of Work Order which should satisfy the time limit of completion. The contractor should inform in writing the name of his authorized representative at site within 7 (Seven) days from the date of receipt of Work Order who will receive instruction of the work, sign measurement book, bills and other Government papers, etc. However the contractor will have to accept the work programme and priority of work fixed by the Engineer-in-charge
- 8) All possible precautions should be taken for the safety of the people and workforce deployed at worksite as per safety rule in force. Contractor will remain responsible for his labour in respect of his liabilities under the Workmen's Compensation Act etc. He must deal with such cases as promptly as possible. Proper road signs as per P.W.D. practice will have to be made by the contractor at his own costs while operating a public thoroughfare.
- 9) The contractor will have to maintain qualified technical employees and/or Apprentices at site as per prevailing Apprentice Act or other Departmental Rules & Orders circulated from time to time.
- 10) The quantities of different items of work mentioned in the tender schedule or in Work Order are only tentative. In actual work, these may vary considerably. Payment will be made on the basis of works actually done in different items and no claim will be entertained for reduction of quantities in some items or for omission of some items. For execution of quantitative excess in any item beyond 10% or supplementary works, approval of the Superintending Engineer / Chief Engineer would be required depending on whoever be the Tender Accepting Authority, before making payment.
- 11) All materials required to complete execution of the work shall be supplied by the contractor after procurement from authorized and approved source and the material brought to the site must be approved by the Engineer-In-Charge. Rejected materials must be removed by the Contractor from the site within 24 hours of the issue of order to that effect.
- 12) For cogent reasons over which the contractor will have no control and which will retard the progress, extension of time for the period lost will be granted on receipt of application from the contractor before the expiry date of contract. No claim whatsoever for idle labour, additional establishment, cost of materials and labour and hire charges of tools & plants etc. would be entertained under any circumstances.
- 13) When one item of work is to be covered up by another item of work the latter item shall not be done before the formal Item has been measure up and has been inspected by the Engineer-in-Charge or the Sub-Divisional

office/Assistant Engineer, as the authorized representatives of the Engineer-in- Charge and order given by him for proceeding with the latter item of work. When however, this is not possible for practical reasons, the Sub-Assistant Engineer, if so authorized by the Sub-Divisional Officer/Assistant Engineer may do this inspection in respect of minor works and issue order regarding the latter item.

- 14) In case of force closure or abandonment of the works by the Department the contractor will be eligible to be paid for the finished work and reimbursement of expenses actually incurred but not for any losses.
- 15) The contractor shall have to arrange on his own cost, required energy for operation of equipments and machineries, for operating of pumping set, illuminating work site, office etc. that may be necessary in difference stages of execution of work. No facility of any sort will be provided for utilization of the departmental sources of energy existing at site of work.
- 16) The contractor will arrange land for installation of his Plants and Machineries, his go-down, store yard, labour camp etc. at his own cost for the execution of the work. Departmental land, if available and if applied for, may be spared for the purpose on usual charges as fixed by the Engineer-in-charge. Before using any space in Government land for any purpose whatsoever, approval of the Engineer-in-charge will be required.
- 17) Departmental materials such as cement, steel, etc. will not be issued to the agency. The agency should submit the Authenticated challan of the materials with the Invoices from the Distributors/Dealers approved by the Principal manufacturers and Test certificates from the organization as approved by the Engineer-in-charge.
